

## IMPORTANT NOTICE (2021-1-19)

This original site of Film Score Rundowns

[<http://www.filmscorerundowns.net/> ] after 22 years will no longer host new papers after January 2021.

However, all of the material related to film music in this site is duplicated in ArchiveOrg as a “Collection” located here:

<https://archive.org/details/film-score-rundowns>

You can also view my material “open source” there if especially you Search by “Film Score Rundowns” (filmscorerundowns) or “Bill Wrobel” ....

This original site (.net) will be hosted every year until (1) a serious technical problem occurs so that people can no longer link on my papers or (2) [preferably far, far later!] my mortal demise! : )

Moreover, I will periodically add new papers as time goes by to the Archive.Org. To find the new papers, click to “Date Archived”:

<https://archive.org/details/film-score-rundowns?&sort=-date&page=3>

Don’t forget to go, first, to my Twitter site, and also my You Tube site, to see & hear my far more updated activity on film music:

<https://twitter.com/ZeffanieandBill> [daily]

<https://www.youtube.com/user/FilmScoreRundowns> [weekly]

Thank you!
