The following is a cue rundown analysis of the full score (orchestrations) for the 1964 Warner Bros. production (Production # 1927) of Lerner & Loewe's *My Fair Lady* starring Rex Harrison as Professor Henry Higgins, and Audrey Hepburn as Eliza Doolittle. The music for the motion picture was lushly adapted/arranged by Andre Previn.

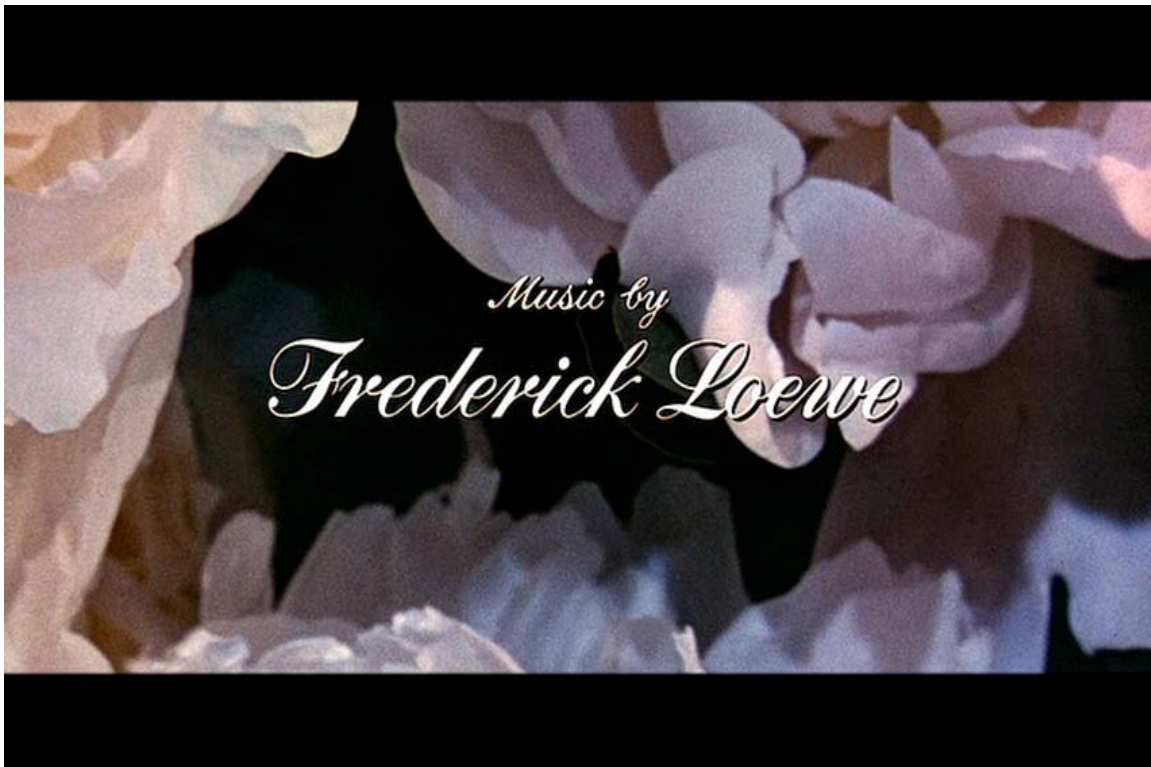

The movie won eight Academy Awards, including Best Picture. It deserved such official accolades. It is perhaps the perfect Hollywood musical. Adapted from the hit New York stage, it was Hollywood-ized and personally produced by Jack Warner himself. The musical is full of nice tunes, an interesting variety in its musical profile--from bawdy beer-hall "Luck" songs to stately ballroom waltzes. Lovely Audrey Hepburn was spotlighted (although her singing voice was not, dubbed by Marni Nixon). Rex Harrison reprised his stage role, as also Stanley Holloway. Julie Andrews was not selected as Eliza, but she very soon claimed her movie fame in Walt Disney's *Mary Poppins*.

I worked (hand-copied) on the score at Warner Bros. Archives on at least two days (January 20-21, 2004) and arranged to receive permission to have xeroxes made for me. Four huge boxes were pulled for me! Obviously

I did not have enough time to work on every cue considering the volume presented, but I managed to do a fair amount of work. The legal papers were also pulled but not much was available beyond the official cue sheets. What I found particularly interesting, however, was the legal contract for Andre Previn dated March 12, 1963:

“Composer’s Agreement: Andre Previn c/o International Management Associates Limited...(1) Employer & Producer: WB Pictures Inc., a Delaware Corporation (herein called “producer”) hereby employs and engages Composer to write, compose, arrange, adapt and conduct the recording of the musical score of the motion picture now entitled MY FAIR LADY (herein called the “photoplay”) and the trailer... (2) Terms of Employment:...commence March 27, 1963...period necessary to complete all services...(3) Compensation : \$50,000 according as follows: \$12,500 thereof on July 1, 1963; \$12,500 thereof on October 1, 1963; \$12,500 thereof on Jan 2, 1964; \$12, 500 thereof on the date ten days after the second public preview of the photoplay, or on July 1, 1964, whichever is earlier...(7) Exclusivity: From Match 27, 1963 thru May 26, 1963, services shall be non-exclusive and subject to a previous commitment in connection with the motion picture entitled *Irma La Duce*...May 27 thru October 1 exclusive subjective to concert commitments in New York, June 11 1963 to June 16, and in Chicago July 6-July 8...”

I believe the contract was 12 pages in length and included a royalty schedule. For instance, piano copies sold would give the composer 5 cents per copy. ASCAP was the PRO.

Alexander Courage did many of the orchestrations, including the 40 pages of the "Overture." Al Woodbury orchestrated cues as well, and R. Franklyn. Courage tended to write on Highland Music Papers S-21 (33 staves). Woodbury used Pacific Music Papers 336. Franklyn used High Music Papers S-21.

As an audio reference, I will use the dvd two-disc Special Edition of *My Fair Lady*. The disc two documentary "More Lovely Than Ever: My Fair Lady Then & Now" is excellent. Go to Chapter 3 starting at :46. This starts the background information of the musical show, and how Rodgers and Hammerstein attempted in 1952 to create a show but, after a year, they gave up, stating "It can't be done." I found it delightful to see the lovely actress Nancy Olson in the documentary. I really enjoyed her performance at Katy in 1954 Warner Bros. western *The Boy From Oklahoma* (music by Max Steiner). To my surprise, she was once married to Alan Jay Lerner, and she recounted how he had a brainstorm and found a solution as to how to successfully adapt the Shaw story to music. He adapted Shaw's words (lyrics) and Loewe did the actual music (or collaboration actually). Lerner

felt that no great singer should sing the music but instead a great actor, and so Rex Harrison pretty much “talked” the music through! And it worked! Of course, as given earlier, Marni Nixon dubbed the singing done originally by Audrey Hepburn (as was right to do considering Hepburn’s shaky, unpolished attempts).

Now: “With A Little Bit of Luck,” I will manage to get through this enormous musical! When I have finished, the reader can announce “You Did It!” but after some encouragement like “Just you wait!” I hope, however, new readers who state “I’m An Ordinary Man” will “Grow Accustomed” to the technical terminology!

In Bar 52 (:37) in Cut time, we now have the tempo marking of *Tempo Giusto, Brillante*. Violins I play *espr* Line 2 E legato up to A quarter notes to same A half note tied to (Bar 53) A half note, and then G legato slur to F quarter notes to (Bar 54) E down to C quarter notes to same C half note tied to (Bar 55) C half note followed by C legato to D quarter notes to (Bar 56, start of page 15) E legato up to B quarter notes to two same B (now tenuto-marked) quarter notes to (Bar 57) B legato to Line 3 C quarter notes to B to C quarter notes once again down to (Bar 58) A to G quarter notes to G half note tied to half note next bar, and then D to E quarter notes. Back in Bar 52, celli play *espr* Great octave C up to G up to small octave E up to G quarter notes (all four notes played under the legato umbrella (curve line crescent) to (Bar 53) A up to middle C quarter notes to B half note. VC repeat Bar 52 in Bar 54 to (Bar 55) A-B-C-D quarter notes to (Bar 56) E quarter note (these last five notes are played under the legato umbrella) down to B down to E up to G quarter notes to (Bar 57) F# whole note. After a quarter rest in Bar 58, celli continue on G up to Line 1 F to E quarter notes played < > (crescendo-decrescendo) to (Bar 59) E legato to D quarter notes to D legato to C# quarter notes. Back in Bar 52, the piano plays various quarter note chords. On the 1st beat, the bottom staff of the piano play Great octave and small octave C quarter notes (followed by a quarter rest) to Great octave G quarter note (followed by a quarter rest). Repeat thru Bar 55. After a quarter rest in Bar 52, the top staff of the piano play a C6 (C major 6th) quarter note chord (followed by a quarter rest) and then another C6 chord. The note heads, incidentally, are not marked (simply the C6 designation). After a quarter rest in Bar 53, the top staff plays another C6 chord (followed by a quarter rest) to G9. Bar 54 repeats Bar 52. In Bar 55, we find C6 on that 2nd beat (followed by a quarter rest) and then the D diminished. This last chord is interesting because the rest of the orchestra plays D/F/Ab/B or in effect the B dim 7th. The piano is marked as D dim (technically D/F/Ab). In Bar 56, the piano top staff plays *Em* on the 2nd and 4th beats, and then C dim and D9 in Bar 57, and two *Em* in Bar 58 to (Bar 59) the G7 on the 2nd beat.

Back in Bar 52, the harp plays forte ascending legato 8th notes Great octave C-G-small octave E-A (crossbeam connected) up to (top staff) Line 1 E-G-Line 2 C-D 8th notes (crossbeam connected) up to (Bar 53) middle (Line 1) C quarter note (followed by a quarter and half rest). The bells sound *mf* Line 2 E up to A half notes (silent in Bar 53) to (Bar 54) E down to C half notes (silent in Bar 55). In Bar 56, the bells play E up to B half notes to

(Bar 57) B-B half notes to (Bar 58) A-G half notes (silent in Bar 59). I believe the snare drums are sounded with brushes.

Violas play the same but an octave lower register. The VC play an octave lower so that at the end of Bar 119 they play small octave Eb-G-Bb legato 8th notes *mf*

subito. ETC (I will not elaborate on the rest of the orchestra in these two bars).

In Bar 120 (start of page 31), the tempo marking is now *Light and Airy* playing the “I Could’ve Danced All Night” section of the Overture’s medley. Violins play Line 3 (violas play Line 2, and celli play Line 1 register) Eb dotted half note to D quarter note to (Bar 121) D half note tied to 8th note down to octave lower D up to G up to Bb 8th notes (all four 8ths are crossbeam connected) up to (Bar 122) D dotted half note to C quarter note to (Bar 123) C dotted half note to B quarter note to (Bar 124, start of page 32) G dotted half note to Ab quarter note legato to (Bar 125) Bb dotted half note up to C quarter note legato down to (Bar 126) F whole note tied to (Bar 127) F half note tied to 8th note, and then F up to Ab up to C 8th notes to (Bar 128) F dotted half note to E (natural) quarter note (and so forth). Repeat in Bars 121-122. Repeat in Bar 123 except that the last note is Great octave Bb 8th. Etc.

Back in Bar 120, after an 8th rest, flute I plays *mf lightly* Line 2 staccato (dot over each note) G-Bb-G 8th notes (crossbeam connected) to F-Bb-G-Eb staccato 8ths (crossbeam connected) to (Bar 121) ascending staccato 8th notes D-Eb-G-Bb (crossbeam connected) up to Line 3 D staccato 8th note (followed by an 8th and quarter rest) to (Bar 122), after an 8th rest, G-Bb-G 8ths to D-Bb-G-Eb 8ths. [resume Thursday, July 1 at 5:51 pm. Today is my 54th birthday. I worked today (very light day for a change!) and when Susan returns from work after 8 pm, she'll drive me to the local Long Beach Airport to pick up a National car rental for the three-day weekend rate. Tomorrow (my day off) I will go to the 8 am first appointment with chiropractor, G. Scott Birnie, to see what he can do to help the healing process of my neck after my bike accident on Wednesday, May 26 (a lady opened her car door without looking and I hit it and my right face slammed close & personal on Temple Street a half block from work). After that chiropractic appointment, I'll drive to Warner Bros. Archives near USC to study Max Steiner's score for *Two On A Guillotine*, and to check up some cues of *The Adventures of Robin Hood* (Korngold) for some fella in Oxford]

I did not xerox Bars 136 thru 147, so I am assuming the key signature was *not* changed during this final part of the medley. So let's skip to Bar 148 (3:02). Violins I and flute I play Line 3 G rinforzando half note to F rinforzando half note to (Bar 149) Ab rinforzando whole note tied to 8th note next bar (followed by an 8th and quarter rest) and then Bb rinforzando half note held fermata. Violins II and the oboe play the same as the violins but an octave lower register (Line 2 register). Viole play also Line 2 G to F rinforzando half note. After an 8th rest in Bar 149, viole then are *div* playing ascending sforzando-marked (^ above each note) 8th notes Line 1 Eb/Ab to

F/Bb to G/Line 2 C (crossbeam connected) to Ab/D to Bb/Eb to Line 2 C/F to D/G 8ths to (Bar 150) Eb/Ab sforzando 8ths (followed by an 8th and quarter rest) to *unis* Line 2 Bb rinforzando half note held fermata. VC play Line 1 G to F rinforzando half notes. After an 8th rest in Bar 149, they play ascending sforzando-marked 8th notes small octave F/middle C to G/D to Ab/Eb (crossbeam connected) to Bb/F to C/G to D/Ab to Eb/Bb to (Bar 150) F/Line 2 C 8ths (followed by an 8th and quarter rest) to unison Bb rinforzando half note held fermata. After a quarter rest in Bar 148, *arco* CB play Great octave Bb half note to Bb rinforzando quarter note. After an 8th rest in Bar 149, CB play ascending sforzando 8th notes Great octave F-G-Ab and then Bb-small octave C-D-Eb to (Bar 150) F 8th note (followed by an 8th and quarter rest) down to Great octave Bb rinforzando half note held fermata.

Flute II plays Line 3 Eb-Eb rinforzando half notes to (Bar 149) F rinforzando whole note tied to 8th note next bar (followed by an 8th and quarter rest) to G rinforzando half note held fermata. Flute III plays Line 3 C-C rinforzando half notes to (Bar 149) Eb whole note tied to 8th note next bar (followed by an 8th and quarter rest) to D rinforzando half note held fermata. Clarinets play Line 2 Eb/Ab rinforzando half notes played twice to (Bar 149) F/Line 3 C whole notes tied to 8th notes next bar (followed by an 8th and quarter rest) to D/G rinforzando half notes held fermata. After a quarter rest in Bar 148, the bass clarinet plays small octave Bb [written middle C] rinforzando half note to Bb rinforzando quarter note. After an 8th rest in Bar 149, the bass clarinet plays ascending sforzando 8th notes C-D-Eb [written D-E-F] to F-G-Ab-Bb to (Bar 150) Line 2 C 8th note (followed by an 8th and quarter rest) down to small octave Bb half note held fermata. Fag I plays Line 1 F to F rinforzando half notes. After an 8th rest in Bar 149, it plays small octave Ab-Bb-middle C sforzando 8ths to D-Eb-G-Ab 8ths to (Bar 150) Ab 8th note (followed by an 8th and quarter rest) down to small octave Ab half note held fermata. After a quarter rest in Bar 148, Fag II plays Contra-octave Bb half note to Bb quarter note. After an 8th rest in Bar 149, it plays ascending sforzando 8th notes Great octave F-G-Ab (crossbeam connected) to Bb down to C-D-Eb 8ths (crossbeam connected) to (Bar 150) F 8th note (followed by an 8th and quarter rest) down to Contra-octave Bb half note held fermata.

Horns play small octave Ab/middle C/G [written Line 1 Eb/G/Line 2 D] rinforzando half notes to Ab/C/F half notes. After an 8th rest in Bar 149, they play ascending sforzando 8th notes small octave Eb/Ab/C to F/Bb/D to

G/C/Eb (crossbeam connected) to Ab/D/F to Bb/Eb/G to middle C/F/Ab to D/G/Bb to (Bar 150) Eb/Ab/D 8ths (followed by an 8th and quarter rest) to D/Ab/Bb half notes held fermata. Trumpets play Ab/Line 2 C/G to Ab/C/F rinforzando half notes to (Bar 149) Line 2 C/Eb/Ab rinforzando whole notes tied to 8th notes next bar (followed by an 8th and quarter rest) to D/G/Bb rinforzando half notes held fermata. Pos I-II play Line 1 Eb/G to Eb/F half notes. After a quarter rest, Pos III plays forte Great octave Bb half note to Bb quarter note. After an 8th rest in Bar 149, the trombones then play ascending sforzando 8th notes Great octave F/small octave C/Ab to G/D/Bb to Ab/Eb/middle C (crossbeam connected) to BB/F/Line 1 D to small octave C/G/Line 1 Eb to D/Ab/F to Eb/Bb/G to (Bar 150) F/middle C/Ab rinforzando 8th notes (followed by an 8th and quarter rest) down to Great octave Bb/small octave Ab/Line 1 D half notes held fermata. The tuba plays as Pos III but an octave lower register.

After a quarter rest, the timp beats *mf* Great octave Bb rinforzando quarter note (followed by a quarter rest) to another Bb quarter note (silent next bar). In Bar 150, the timp then sounds Great octave F sforzando 8th note (followed by an 8th and quarter rest) up to Bb half note roll held fermata. I believe the cymbals strike (*let ring*) an x-headed quarter note to 8th note (followed by an 8th rest) to another such pattern to (Bar 149) 8th 8th, and then 7 8th notes to (Bar 150) 8th note (followed by an 8th and quarter rest) to x-headed clash (followed by a quarter rest held fermata). Another percussion instrument sounds but I'm not sure what it is (a bass drum?).

The harp plays small octave G/Ab/middle C/Eb and (top staff) G/Ab/Line 2 C/G rinforzando half notes to F/Ab/middle C/Eb/A/Ab/Line 2 C/F rinforzando half notes to (Bar 149) Ab/middle C/En/Ab/Line 2 C/Eb/Ab rinforzando whole notes. After a half rest in Bar 150, the harp plays Bb/Line 1 D/Ab/Bb/Line 2 D/G/Bb half notes held fermata. The piano top staff plays *f* Line 1 G/Ab/Line 2 C/G rinforzando half notes to F/Ab/Line 2 C/F half notes. After an 8th rest in Bar 149, it plays ascending sforzando 8th notes small octave Ab/Line 1 Eb/Ab to Bb/F/Bb to middle C/G/Line 2 C (crossbeam connected) to D/Ab/Line 2 D to Eb/Bb/Eb to F/Line 2 C/F to G/D/G to (Bar 150) Ab/Line 2 Eb/Ab 8ths (followed by an 8th and quarter rest) to Bb/Line 2 D/G/Bb half notes held fermata. After a quarter rest in Bar 148, the bottom staff of the piano plays Contra-octave BB/Great octave Bb rinforzando half notes to quarter notes. After an 8th rest next bar, it plays ascending sforzando 8th notes Great octave F/small octave C to G/D to Ab/Eb (crossbeam connected) to Bb/F to C/G to D/Ab to Eb/Bb to (Bar 150)

F/middle C 8ths (followed by an 8th and quarter rest) to Great octave Bb/small octave Ab/Line 1 D rinforzando half notes held fermata.

In Bar 151 (*Poco Maestoso*), the horns and trumpets are initially soli prominently playing a sort of fanfare as the “Produced by Jack L. Warner” show card is shown on the screen. Horns play forte on small octave Bb [written Line 1 F] rinforzando 16th note up to F [written Line 2 C] rinforzando 16th note (followed by a 16th rest) down to middle C [written G] rinforzando 16th note up to G [written Line 2 D] rinforzando dotted half note. The trumpets play the same but an octave higher register.

After a half and 8th rest marks, clarinets play middle C/Eb [written D/F] rinforzando dotted quarter notes while the bass clarinet plays F [written G], and Fags play Great octave Ab/middle C notes. After a half and 8th rest, trombones play Great octave Ab/small octave Eb/Bb rinforzando dotted quarter notes while the tuba plays Contra-octave Ab, and the timp beats the Great octave Ab note. The cymbal sounds an x-headed dotted quarter note. I believe the bass drum (?) or snare drum plays a dotted quarter note as well. After a half and 8th rest, the harp plays Great octave Ab/small octave Eb/F/Bb/Line 1 C/Eb rinforzando dotted quarter notes, while the piano plays Contra-octave Ab/Great octave Ab/small octave F/Bb/middle C/Eb notes. After a half and 8th rest, violins I play Line 1 Eb rinforzando dotted quarter note, violins II on Bb/middle C, viole on small octave F, VC on Great octave Ab/small octave Eb, and CB on Great octave Ab dotted quarter notes.

In Bar 152 (start of page 39), the horns and trumpets play soli Bb up to F rinforzando 16ths (followed by a 16th rest) to C 16th up to Ab rinforzando dotted half note. In response (after a half and 8th rest), the harp plays Great octave F/small octave C/Ab/Bb/Line 1 Eb/G dotted quarter notes rinforzando. The piano plays the exact same notes. Violins play Bb/Line 1 Eb/G rinforzando dotted quarter notes, viole on Ab, VC on Great octave F/small octave C, and CB on Great octave F. After a half and 8th rest, the oboe plays middle G rinforzando dotted quarter note, while clarinets play small octave Bb/En, bass clarinet on middle C, Fag I on small octave Ab, and Fag II on Great octave F. After a half and 8th rest, Pos play Great octave F/small octave C/Ab rinforzando dotted quarter notes, while the tuba plays Contra-octave F dotted quarter note, and the timp sounds the Great octave F. The cymbal and I believe snare drum (?) sounds the notes as well.

In Bar 153, the horns and trumpets sound C up to G rinforzando 16th notes (followed by a 16th rest) to Eb 16th up to Bb rinforzando dotted half note tied to whole note next bar. After a half rest, violins I play *ff* (*poco affretando*) Line 2 F to Gb rinforzando quarter notes to (Bar 154) Ab-B-Line 3 Cb-Db rinforzando quarter notes to (Bar 155) Line 3 Eb whole note held fermata down to (end Bar 156, start of page 40) Line 1 Eb sforzando-marked (^) 8th note *sffz* (followed by 8th/quarter/half rest marks). After a half rest in Bar 153, violins II play *ff* I believe Bb rinforzando quarter note to *div* Line 2 Cb/Eb quarter notes to (Bar 154) Db/F to Eb/Gb to same Cb/Eb to Fb/Ab rinforzando quarter notes to (Bar 155) G/Bb rinforzando whole notes held fermata down to (end Bar 156) Line 1 Eb *sffz* 8th note (followed by rests). Viole play as violins I but an octave lower register. [Note: the accidentals are not always consistently placed. The first quarter note in Bar 154 is Line 1 A (assumed Ab since the key signature is still in place) but the same note written for violins I has the flat accidental (b) placed before the note] After a half rest in Bar 153, VC (celli) play contrary motion (descending) quarter notes small octave Db to Cb to (Bar 154) Great octave Bb-Ab-Gb-Fb to (Bar 155) Eb rinforzando whole note held fermata to (end Bar 156) same Eb 8th note (followed by rests). CB are *col* VC.

The top staff of the piano plays small octave Bb/Line 1 Db/F to middle Cb/Eb/Gb rinforzando quarter notes to (Bar 154) small octave Ab/Line 1 Db/F/Ab to Bb/Eb/Gb/Bb to Cb/Eb/Gb/Line 2 Cb to Db/Fb/Ab/Line 2 Db rinforzando quarter notes to (Bar 155) Line 1 Eb/G/Bb/Eb (Eb maj) rinforzando whole notes held fermata to (end Bar 156) small octave and Line 1 Eb 8th notes (followed by rests). The bottom staff plays descending quarter note dyads Great octave and small octave Db to Cb quarter notes to (Bar 154) Contra-octave and Great octave Bb-Ab-Gb-Fb quarter notes to (Bar 155) Eb whole notes held fermata to (Bar 156) small octave and Line 1 Eb 8ths. The harp returns in Bar 155 to play half notes Line 1 Eb/G/Bb/Line 2 Eb/G/Bb/Line 3 Eb held fermata (followed by a half rest and then, in end Bar 156, whole rest. After a half rest in Bar 153, the orchestra bells play *f* on Line 2 F-Gb quarter notes to (Bar 154) Ab-Bb-Line 3 Cb-Db to (Bar 155) Line 3 down to Line 2 Eb whole note trem roll to (Bar 156) Line 1 Eb 8th note. The timp returns in Bar 155 playing the small octave Eb whole note rinforzando trem roll (held fermata) to (end Bar 156) Eb 8th note. The cymbals (two of them) sound an x-headed quarter note in Bar 155.

After a half rest in Bar 153, the tuba plays *ff* descending quarter notes (see the VC/CB line). Pos play quarter note triads small octave Db/F/Bb to Cb/Gb/Line 1 Cb to (Bar 154) F/Ab/Line 1 Db to Gb/Cb/Eb to Eb/middle Cb/Eb to Cb/Ab/Line 1 Db to (Bar 155) Great octave Bb/small octave G/Line 1 Eb whole notes held fermata to (Bar 156) Great octave (Pos III) and small octave Eb 8th notes (followed by rests).

Fag II plays as the VC/CB line (and tuba). Fag I plays small octave Bb-middle Cb quarter notes to (Bar 154) Db-Cb-small octave Bb-Ab quarter notes to (Bar 155) G whole note held fermata to (Bar 156) Eb 8th note. The bass clarinet plays Line 1 Db-Gb to (Bar 154) F-Eb-Eb-Cb to (Bar 155) small octave Bb whole note to (Bar 156) small octave Eb 8th note. Clarinets play Line 1 Bb/Line 2 F to Cb/Eb quarter notes to (Bar 154) Db/F to Eb/Gb to Gb unison to Fb/Ab to (Bar 155) G/Bb whole notes held fermata to (end Bar 156) small octave and Line 1 Eb sforzando 8th notes. Flutes I-II-piccolo play Line 2 F (Line 1 for the oboe) to Gb quarter notes to (Bar 154) Ab-Bb-CB-Db to (Bar 155) Eb whole notes held fermata ((Line 3 G for flute I) to (Bar 156) Line 1 Eb 8th for the oboe only (the flutes are silent in this end bar).

End of cue.

This is delightful music that will be heard much later in the movie during the Embassy Waltz scene (see Chapter 34 on the dvd). Ten divisi violins I play *mf* Line 1 Bb/Line 2 D quarter notes legato mini-slur (curve lines) up to D/G dotted quarter notes back down to Bb/D 8th notes legato to (Bar 2) C#/F# dotted half notes. Repeat Bars 1-2 in Bars 3-4. Eight violins II play Line 1 D/G quarter notes legato up to G/Bb dotted quarter notes back to D/G 8ths to (Bar 2) F#/A dotted half notes (repeat next two bars). Six violas play (after a quarter rest) small octave Bb/Line 1 D quarter notes legato to D/G 8ths (followed by an 8th rest) to (Bar 2), after a quarter rest, A/middle

C# quarter notes to C#/F# 8th notes (followed by an 8th rest). Repeat in Bars 3-4. Six celli (VC) play *arco* Great octave Bb up to small octave F 8th notes (crossbeam connected) up to stand alone Line 1 D 8th note (followed by an 8th rest) down to (now *pizz*) small octave F quarter note. In Bar 2 (back to *arco*) the celli play Great octave F up to small octave Eb 8th notes up to A 8th (followed by an 8th rest) down to (now *pizzicato*) Great octave F quarter note. Repeat these two bars in Bars 3-4. Three contra-basses (CB) pluck *pizz* on Great octave Bb quarter note (followed by two quarter rest marks) up to (Bar 2) small octave F quarter note (followed by two quarter rests). Repeat next two bars.

The harp plays ascending legato 8th notes Great octave Bb up to small octave F (crossbeam connected) up to (top staff) Line 1 D-G 8th notes (crossbeam connected) up to Line 2 D 8th note (followed by an 8th rest). In Bar 2, the harp then plays Great octave F up to small octave Eb 8th notes (crossbeam connected) up to A-middle C# 8th notes (crossbeam connected) up to A 8th (followed by an 8th rest). Repeat these two bars in Bars 3-4.

The trombones play *p* (and the note (*Easy!*) is placed above the top staff) Great octave Bb (bottom staff) and (top staff) small octave F/Line 1 D dotted half notes legato to (Bar 2) Great octave F/small octave A/middle C# dotted half notes. Repeat next two bars. Trumpets are silent for a while. After a quarter rest, three horns play *mp* small octave F/Bb [written middle C/F] on the bottom staff and (top staff for horn I) Line 1 D [written A] tenuto quarter notes played twice to (Bar 2), after a quarter rest, Eb/A/middle C# tenuto quarter notes played twice. Repeat next two bars.

Fag II is silent for four bars, but Fag I plays *mp* Great octave Bb legato up to small octave F 8ths (crossbeam connected) up to Line 1 D 8th note (followed by an 8th and quarter rest) down to (Bar 2) Great octave F up to small octave Eb 8th notes (crossbeam connected) up to A 8th (followed by an 8th and quarter rest). Repeat next two bars. The bass clarinet plays *mf* small octave Bb [written middle C] quarter note I believe tied to Bb 8th (followed by an 8th and quarter rest) down to (Bar 2) F [written G] dotted half note tied up to (Bar 3) Bb quarter note tied to Bb 8th decrescendo (followed by an 8th and quarter rest). Repeat Bars 2-3 in Bars 4-5. After a quarter rest in Bar 1, clarinet I plays small octave G up to Bb [written A-middle C] 8th notes (crossbeam connected) up to Line 1 D [written E] 8th note (followed by an 8th rest) down to (Bar 2), after a quarter rest) small octave Eb up to A 8th notes (crossbeam connected) up to middle C# 8th

(followed by an 8th rest). Repeat next two bars. After a quarter rest in Bar 1, clarinet I plays small octave Bb up to D 8ths to G 8th (followed by an 8th rest) down to (Bar 2), after a quarter rest, A up to middle C# 8ths to F# 8th (followed by an 8th rest). Repeat next bar. The oboe plays *mp* Line 2 D dotted half note legato slur to (Bar 2) C# dotted half note (repeat next two bars). Flutes play the melody line as the violins do. So flute III plays *mf* Line 1 G quarter note up to Bb dotted quarter note back down to G 8th note to (Bar 2) A dotted half note (all four notes are played under the legato umbrella). Repeat in Bars 3-4. Flute II plays the bottom line of violins I, so we find Line 1 Bb quarter note up to Line 2 D dotted quarter note back to Bb 8th to (Bar 2) Line 2 C# dotted half note. Flute I plays the top line of violins I, so we find Line 2 D quarter note up to G dotted quarter note back to D 8th up to (Bar 2) F# dotted half note. Repeat next two bars.

After a quarter rest in Bar 5, violins I continue their part of the melody line on A/Line 2 C# quarter notes legato to Bb/D quarter notes to (Bar 6), after a quarter rest, C#/E (E natural) to D/F quarter notes to (Bar 7) D/F# quarter notes legato up to Bb/Line 3 D dotted quarter notes back down to D/F# 8ths up to (Bar 8) G/Line 3 C dotted half notes. After a quarter rest in Bar 5, violins II play middle (Line 1) C#/E legato to D/F quarter notes to (Bar 6), after a quarter rest, E/Bb to F/Bb quarter notes to (Bar 7) F#/B (I believe it should be B, not B-flat, but then again Pos I plays the Bb dotted half note...) quarter notes legato leap up to Line 2 D/E dotted quarter notes down to F#/B 8ths up to (Bar 8) C/Eb dotted half notes. After a quarter rest in Bar 5, violas play A/middle C# to Bb/D quarter notes to (Bar 6), after a quarter rest, C#/E to D/F quarter notes to (Bar 7), after a quarter rest, Bb/F quarter notes to C/E 8ths (followed by an 8th rest) to (Bar 8), after a quarter rest, A/C quarter notes to Line 1 Eb/G 8ths (followed by an 8th rest). I may be mistaken, but I do not believe the full score to the actual orchestral song (cue # 40784) was available to research (but the parts and conductor score were there)] Dvd location: Chapter 4 starting at :24. [Note that the first bar is marked as Bar 2, and so forth]

The Voice (Higgins/Rex Harrison) “sings” “Look at her a” in Bar 1, notated as Line 1 A down to F# 8th notes (crossbeam connected) to E-D 8ths (crossbeam connected). In Bar 2, Higgins states “pris’-ner of the” that is notated exactly as Bar 1 to (Bar 3) “gut-ters;” notated as Eb 8th up to G dotted quarter note. After a quarter and 8th rest in Bar 4, he states “Con-“ notated as G 8th note to (Bar 5, start of page 2) “demned by ev’-ry” notated as A-F# to E-D 8ths to (Bar 7) “syl-la-ble she” notated as given in Bar 6 to (Bar 8) “ut-ters” notated as Eb 8th up to G dotted quarter note. After a quarter and 8th rest, Higgins states “By” notated as Eb 8th to (Bar 10, start of page 3) “right she should be” notated as D-E to F#-E 8th notes to (Bar 11) “ta-ken out and “ notated as D-E to F#-G 8th notes to (Bar 12) “hung” notated as A quarter note (followed by a quarter rest. The voice part in end Bar 13 is simply the whole rest held fermata.

In Bar 2 (actually in effect Bar 1), flute I “plays” (but marked as “cue” in case this line was not wanted) *pp* Line 2 A to F# staccato 8th notes (crossbeam connected) to E-D staccato 8th notes (crossbeam connected) repeated next bar, and then (in Bar 4) Eb staccato 8th up to G tenuto dotted quarter note. Repeat these three bars in Bars 6-8. In Bar 12 the flute is indicated as “play. Actually, all three flutes play *p* Line 1 Eb/G/A staccato 8th notes (followed by an 8th and quarter rest). At the end of end Bar 13, flutes I-II are shown playing Line 3 C 8th. Actually this is in effect the grace bar note for the major orchestral/song piece. The oboe and clarinet I play Line 2 C 8th there as well.

Bassoon I is also cued in playing the same notes and pattern as the cued in flute I but two octaves lower (small octave A to F# staccato 8ths, and so forth). After a quarter and 8th rest in Bar 9, however, it does indeed “play” small octave G 8th note legato down to (Bar 10) F# staccato 8th (followed by rests). Fag II plays Great octave A 8th to (Bar 10) small octave D staccato 8th (followed by an 8th rest) to F#-E staccato 8ths. Then, in Bar 11, Fag I plays D-E to F#-E staccato 8ths to (Bar 12) G staccato 8th (followed by an 8th rest) down to Great octave D rinforzando 8th (followed by an 8th rest) to (Bar 13) another D rinforzando 8th note (followed by an 8th rest and then a quarter rest held fermata). Fag II plays *p* D-C to Great octave B-Bb staccato 8ths to (Bar 12) A staccato 8th (followed by an 8th rest) down to D rinforzando 8th (as Fag I) to (Bar 13) D 8th. Back in Bar 2 (or Bar 1!), Fag II plays (not cued in) small octave A half note tied to half note next bar to (Bar 4) G staccato 8th up to Bb tenuto dotted quarter note.

Violins I play *p lightly* side bracketed double-stopped Line 1 F#/A- F#/A 8ths (followed by a quarter rest), repeated next bar. After an 8th rest in bar 4, they play Eb-Eb 8ths (followed by an 8th rest) to (Bar 5, after an 8th rest), Eb 8th (followed by an 8th rest) to another Eb 8th. Eight violins II play E-E 8ths (followed by a quarter rest), repeated next bar. After an 8th rest in Bar 4, they play middle C#-C# 8ths (followed by an 8th rest) to (Bar 5), after an 8th rest, C# 8th (8th rest following) to C# 8th. Viole play double-stopped B/Line 1 D-B/D 8ths (followed by a quarter rest), repeated next bar. After an 8th rest in Bar 4, viole play small octave G-G 8ths (followed by an 8th rest) to (Bar 5) G 8ths on 2nd & 4th sub-beats. VC pluck *p pizz* small octave A 8th (followed by two 8th rests) to another A 8th to (Bar 3), after a quarter rest, A 8th (followed by an 8th rest) to (Bar 4) Bb 8th (followed by two 8th rests) to Bb 8th to (Bar 5), after a quarter rest, Bb 8th (8th rest following). In the same manner (placement), CB plucks Line 1 D 8ths thru Bar 3, and then Eb 8ths in Bars 4-5.

In Bar 5 (:26 or :26 ½), the stopped horn I is particularly prominent playing *sfz* and rinforzando-marked Line 1 G [written Line 2 D] half note decrescendo and tied to 8th note next bar (followed by rests). Harp I also plays the Line 1 G rinforzando half note. Flutes II-III and cued in oboe sound Line 1 G rinforzando half note tied to 8th notes next bar. [stopped horns was a favorite special effect utilized by Bernard Herrmann especially] After a quarter rest in Bar 5, the bottom staff of the harp plays *non arp* small octave Eb/Bb/Line 1 C# 8ths (followed by an 8th rest) to (Bar 6) small octave D/A/Line 1 F#/A staccato 8ths (followed by rests). Etc.

At the end of the cue, the pizzicato strings are accentuated. In Bar 12 (when Higgins says “hung”), violins I pluck Line 1 G/A 8ths (followed by

rests) while violins II pluck small octave G/Line 1 Eb 8ths, and violas pluck middle C# 8th. After a quarter rest, VC pluck Great octave (CB pluck small octave) D rinforzando 8th (followed by an 8th rest) to (Bar 13) another D rinforzando 8th (followed by an 8th rest and then a quarter rest held fermata). After a quarter rest in Bar 12, the bass drum sounds *p* (yet deeply) a staccato 8th note (notated on the bottom space of the staff) to (Bar 13) another staccato 8th (followed by rests). Horns sound in bar 12 Line 1 Db/Eb [written Ab/Bb] staccato 8ths (followed by rests). Fags were already discussed earlier. The bass clarinet plays small octave A staccato 8th (followed by an 8th rest) down to D staccato 8th (followed by an 8th rest) to (end Bar 13) D 8th (followed by rests). Clarinets play small octave G/middle C# staccato 8ths (followed by rests).

End of cue.

“Why Can’t The English” End of Reel 1, start of Reel 2. Visual vocal, about 3:30.[Note: I did not work on this long song/orchestral piece. Perhaps the full score was not available, if my memory serves me, or it was in another box that I missed. I did very briefly look at the Conductor score and Parts for the first few bars]

In the grace bar, flutes play Line 2 (Line 2 for oboe and clarinet I) C 8th legato to (Bar 1) B staccato 8th note (followed by rests for the flutes and oboe). After an 8th rest for the clarinets, they play small octave Bb/Line 1 E staccato 8ths (followed by an 8th rest) to (Bar 2) A/D# staccato 8ths (followed by an 8th and quarter rest). After a quarter rest in Bar 1, the bass clarinet plays middle C staccato 8th (8th rest following) to (Bar 2) small octave B [written middle C#] staccato 8th. After a quarter rest, horns play small octave C/Bb/E 8ths (followed by an 8th rest) to (Bar 2) C#/A/Line 1 D# 8ths. After a quarter rest, VC play small octave C 8th (followed by an 8th rest) to (Bar 2) Great octave B 8th (followed by rests). In Bar 2, CB play (I believe plucks *pizz*) small octave B down to F# 8ths (crossbeam connected) to Great octave B 8th (followed by an 8th rest).

Etc.

“Intro: Loverly” 4/4 time, 5 bars. R2/2-3/1. Orchestrated by Al Woodbury, using yellow Pacific Music Papers 370. Instrumentation: 2 flutes, oboe, 2 clarinets, horn, bells, harp, 10 violins I, 8 violins II, 6 violas, 6 cell, 3 contra-basses. Dvd location: Chapter 6 starting at :02. Scene: Eliza bends down next to her basket where Higgins threw a good deal of change into before he and Pickering go to 27A Wimpole Street (where Higgins abides).

http://s32.postimg.org/8mvxx1nf9/My_Fair_Lady_R2_pt_2_3pt1_Intro_Loverly_Bars_1_5.jpg

In Bar 1, the oboe plays *mf* Line 2 G-G tenuto half notes (then silent for the rest of the cue). Clarinet I plays Line 1 G-G [written A-A] tenuto half notes (then silent for two bars). The orchestra bells sound *mf* Lines 1 & 2 G quarter notes let vibrate (followed by a quarter rest) to another G dyad (followed by a quarter rest, and then silent al fine. The harp plays *mf* Great octave G/small octave D/middle C and (top staff) F/A/Line 2 C/G 8ths (followed by an 8th and quarter rest) to G/D/B/Line 1 F/B/Line 2 D/G 8ths (followed by an 8th and quarter rest). The harp is then silent for the rest of this brief cue.

Violins I pluck *mf pizz* Line 2 G 8th note (followed by an 8th and quarter rest) to another G 8th (followed by an 8th and quarter rest). Violins II pluck side-bracketed double-stopped F/Line 2 C 8th notes (followed by an 8th and quarter rest) to F/D 8ths (followed by rests). Divisi violas pluck middle C/G 8ths (followed by rests) to B/Line 1 A 8ths (followed by rests). VC pluck double-stopped Great octave G/small octave D 8ths (rests following) followed by another such pattern. CB pluck small octave G 8ths in that pattern.

In Bar 2, the flutes are highlighted playing the melody. Flute I plays *mf* Line 2 “3” triplet value 8th notes D-E-D (crossbeam connected) to C# 8th (followed by a 16th rest) to D 16th legato up F 8th (followed by a 16th rest) to E 16ths legato to D 8th (followed by a 16th rest) to C 16th note. In Bar 3, flute I continues on “3” triplet value 8th notes D-E-D to Line 1 A# 8th (followed by a 16th rest) to B 16th legato to Line 2 D 8th (followed by a 16th rest) to C 16th to Line 1 B dotted 8th to A 16th to (Bar 4) G 8th note (followed by rests for the rest of the cue).

Back in Bar 2, flute II plays the melody on B-Line 2 C-B triplet 8ths to A# 8th (followed by a 16th rest) to B 16th legato up to D 8th (followed by a

16th rest) to C 16th legato to B 8th (followed by a 16th rest) to A 16th. In Bar 3, flute II plays G-A-G “3” triplets 8ths to F# 8th (followed by a 16th rest) to G 16th legato up to B 8th (followed by a 16th rest) to A 16th down to F# quarter note legato to (Bar 4) G 8th (followed by rests).

In Bar 4, clarinet I begins to take over that melody line on “3” triplet 8th notes G-A-G [written A-B-A] to F# [written G#] dotted 8th note to G 16th up to B dotted 8th to A 16th to G dotted 8th to F 16th to (Bar 5) E half note to D [written E] half note held fermata. After a half rest in Bar 4, clarinet II joins in playing Line 1 G dotted 8th to F 16th to E dotted 8th to D 16th to (Bar 5) C half note to small octave B [written middle C#] half note held fermata. The horn makes its appearance in end Bar 5 playing *p* small octave G [written Line 1 D] legato to F# [written middle C#] quarter note legato to F half note held fermata.

Back in Bar 2, violins I play Line 1 F dotted half note to Gb quarter note to (Bar 3) F dotted half note to Eb quarter notes to (Bar 4) middle C whole notes (all notes played under the legato umbrella) to end Bar 5) E half note legato to D half note held fermata. Violins II play D dotted half note to Eb quarter note to (Bar 3) D dotted half note to C quarter note to (bar 4) C whole note to (Bar 5) C half note to small octave B half note held fermata. VC play small octave G whole note tied to G whole note next bar. In bar 4, VC play Great octave G half note legato to F half note to (Bar 5) G whole note held fermata. Silent in Bars 2 & 3, viole in Bar 4 play small octave E up to A half notes to (Bar 5) G-F# quarter notes to F half note held fermata. Silent in Bars 2 & 3, CB in Bar 4 pluck *pizz* small octave G quarter note let vibrate (followed by a quarter rest) to F quarter note let vibrate (followed by a quarter rest) down to (Bar 5), now *arco*, G whole note held fermata. So we find in end Bar 5 the tonalities of C maj (C/E/G) to G Dom 7th (G/B/D/F).

End of cue.

“Wouldn’t It Be Loverly” Reel 3/part 2, cue #40786. Reel 2. Visual vocal, 2:30. The cue is ink-stamped “Arranged & Orchestrated By Al Woodbury.” Dvd location: Chapter 6 starting at :40. The title page states on the upper left in a box “Bar Numbers Correspond To Original Piano Score.” This is interesting because the first bar on the title page is lightly marked Bar 18.

In Bar 1 (or original Bar 18) in 4/4 time, two flutes and two clarinets begin to play the two-bar melody line just described in the previous cue. Flute I plays *p* Line 3 (Line 2 for clarinet I) “3” triplet value 8th notes C-D-E to B 8th (followed by a 16th rest) to C 16th up to E 8th (followed by a 16th rest) to D 16th to C 8th (followed by a 16th rest) to Bb 16th to (Bar 2, or Bar 19) Line 2 A-Bb-A “3” triplet 8ths to G# 8th (followed by a 16th rest) to A 16th to C 8th (rest) to B 16th to A 8th (rest following) to G 16th to (Bar 3 or Bar 20) F 8th note (followed by rests). Flute II plays Line 2 E quarter note legato to D 8th (followed by a 16th rest) to E 16th up to G 8th (followed by a 16th rest) to F 16th to E 8th (16th rest following) to D 16th to (Bar 2) C quarter note to Line 1 B 8th (followed by a 16th rest) to C 16th up to E 8th (rest following) to D 16th to C 8th (rest following) to Bb 16th to (Bar 3) Line 1 A 8th (small octave A for clarinet II).

In Bar 1 (or Bar 18), after a half rest, the orchestra bells sound *p* Line 2 E 8th (followed by a 16th rest) to D 16th to C 8th (followed by a 16th rest) to Bb 16th to (Bar 2) A 8th (followed by an 8th and quarter rest) to C 8th (16th rest following) to Bb 16th note to A 8th (rest following) to G 16th to (Bar 3) F 8th. The harp plays *p* small octave G/Line 1 E/G/Line 2 C/E/G/C (C maj) quarter notes (followed by a quarter and half rest). The celeste plays *p* arpeggiando small octave G/Line 1 C/E/G/Line 2 C 8ths (followed by rests). In Bar 2, it continues on small octave and Line 1 “3” triplet value 8th notes A-Bb-A to G# 8th (followed by a 16th rest) to A 16th up to Lines 1 & 2 C quarter note let vibrate (followed by a quarter rest).

Violins I pluck *pizz* side-bracketed ([) or double-stopped Line 1 E/Line 2 C quarter notes (followed by rests thru Bar 2), while violins II pluck double-stopped middle C/G quarter notes, and viola on small octave G/Line 1 E, and VC on small octave C/G.

[end session at 10:21 pm. Productive day on this rundown. Five straight days on my route coming up!]

[resume Tuesday, July 6th at 6:26 pm]

In Bar 3 (original Bar 20), the key signature is now F maj/D min (one flat). For the Bb transposing instruments (clarinets/bass clarinets/trumpets), we have one sharp (the flat had canceled the standard two sharps). Horns (normally one sharp) is now clear of accidentals. So in Bar 3 (:50), Eliza sings here “Lovely” song! She sings “All I want is a” notated as Line 1 F to G to A quarter notes down to F dotted 8th note down to middle C 16th to (bar

4 or original Bar 21) “room some-where;” notated as D to F quarter notes to same F half note.

Violins I follow Eliza’s line in Bar 3. They play *p arco* Line 1 F to G staccato quarter notes to A tenuto (yet also dotted) quarter note legato down to F dotted 8th down to middle C 16th to (Bar 4) D quarter note legato to F 8th note (followed by an 8th rest) to same F tenuto and dotted quarter note tied to 8th note (followed by an 8th rest). [Note: It is unusual to find in film scores such tenuto and staccato dot symbols. Generally it means the player holds the note firmly (tenuto) yet making a slight space or separation just immediately before the following note] Violins II play C-C staccato quarter notes up to F tenuto/staccato quarter note down to C dotted 8th note down to small octave A 16th note to (Bar 4) Bb quarter note legato up to Line 1 D 8th (followed by an 8th rest) to D tenuto/staccato quarter note legato to C 8th note (followed by an 8th rest). Violas play *p arco* small octave A to Bb staccato quarter notes to middle C tenuto/staccato quarter note legato down to A dotted 8th note down to F 16th to (Bar 4) F quarter note legato up to Bb 8th (followed by an 8th rest) to Bb tenuto/staccato quarter note tied to 8th note (followed by an 8th rest). VC are *arco* playing Great octave B grace note to small octave C whole note to (Bar 4) Bb 8th (followed by an 8th and quarter rest) to (now *pizz*) Great octave G quarter note up to small octave C 8th note (followed by an 8th rest). CB pluck pizzicato small octave F quarter note (followed by a quarter rest) down to C quarter note (followed by a quarter rest) to (Bar 4) Great octave Bb quarter note (followed by a quarter rest) up to small octave G quarter note down to C 8th (followed by an 8th rest).

In Bar 3, after a quarter rest, horns play *p sempre leggiero* (lightly) small octave G/Bb/middle C staccato quarter notes (followed by a quarter rest) to F/A/middle C staccato quarter notes to (bar 4), after a quarter rest, F/Bb/D staccato quarter notes (followed by a quarter rest) to G/Bb/C staccato quarter notes. Bassoon I plays *p* Great octave B acciaccatura to C whole note to (Bar 4) Bb 8th note (followed by an 8th and quarter rest) up to small octave D rinforzando quarter note legato to C 8th (followed by an 8th rest). After a half rest in Bar 4, Fag II plays Great octave G rinforzando quarter note down to C 8th note (followed by an 8th rest). After a half rest in Bar 4, the bass clarinet plays small octave G rinforzando quarter note tied to 8th note (followed by an 8th rest). After a half rest, clarinet II plays small octave F rinforzando quarter note to Eb 8th note (followed by an 8th rest) while clarinet I plays small octave Bb quarter note tied to 8th note. After a half rest, the English horn plays *p* Line 1 D [written A] rinforzando quarter

note to C [written G] 8th note (followed by an 8th rest). After a half rest in Bar 4, three flutes play *mp* (more emphasized instruments here) descending 16th notes *rinforzando* D-C-Bb-A (connected by two crossbeams) to G staccato 8th note (followed by an 8th rest).

In Bar 5 (original Bar 22), Eliza sings “Far a-way from the” notated (just below the harp staves) Line 1 F-G-A quarter notes down to F dotted 8th note down to C 16th to (bar 6) “cold night air” notated as D up to G quarter notes to same G half note. After a quarter rest in Bar 7, she continues on “With one e-“ notated as F-F-G quarter notes to (Bar 8) “nor-mous chair, oh” notated as G-A-A-Bb quarter notes. In Bar 9 (original Bar 26), she sings “would-n’t it be” notated as Line 2 C half note tied to C 8th note down to Line 1 A 8th up to Bb down to F# 8th notes to (Bar 10) “lov-er-ly?” notated as A-G 8th notes to G dotted half note.

In Bar 10, violins I play Line 1 (Line 2 for flute I) A-G 8th notes to G half note tied to 8th note (followed by an 8th rest). Violins II play double-stopped Small octave Bb/Line 1 D half notes to Db 8th (followed by an 8th rest) to C 8th (followed by an 8th rest). Violas are double-stopped on small octave F/Bb half note to F/Bb 8ths (followed by an 8th rest) to E/Bb 8ths (followed by an 8th rest). VC play small octave C half note down to G 8th (followed by an 8th rest). CB pluck middle C quarter note (followed by a quarter rest) down to Great octave G 8th (followed by an 8th rest) up to small octave C 8th (followed by an 8th rest).

After a half rest in Bar 10, the celeste is arpeggiando on small octave G/Bb/Line 1 Db and (top staff) F/Bb/Line 2 Db (G half-diminished 7th) 8th notes. The bottom staff follows with an 8th rest to arpeggiando G/Bb/C 8ths (followed by an 8th rest), while the top staff plays Line 2 C 8th to arpeggiando E/Bb/C 8ths (followed by an 8th rest). After a half rest in Bar 10, the harp plays descending 32nd notes Line 2 Db-C-Line 1 Bb-A# [??]-G-F-E#[??] Db and then middle C 8th note (followed by an 8th rest). [The enharmonic notes placed here seem odd to me]

After a half rest, the orchestra bells play *p* Line 2 Db-C 8ths (crossbeam connected) to C 8th (followed by an 8th rest). After a half rest, horn III plays *mp* small octave Bb tenuto quarter note to Bb staccato 8th note (followed by an 8th rest) while horns I-II play small octave F/Line 1 Db to E/C 8ths (crossbeam connected) to E/C staccato 8ths (followed by an 8th rest). After a half rest, Fag II plays Great octave G tenuto quarter note legato

down to C staccato 8th (followed by an 8th rest). After a half rest, clarinet II plays small octave F-Eb legato 8ths to Eb staccato 8th (followed by an 8th rest) while clarinet I plays Bb tenuto quarter note to Bb staccato 8th. Flute II plays Line 2 E-D 8th notes to D half note decrescendo and tied to 8th note (followed by an 8th rest).

Skipping to Bar 19 (original Bar 36), Eliza sings “Oh, So” notated as Line 1 G-G half notes to (Bar 20) “lov-er-ly sit-tin’ Ab-so-bloom-in’” notated “3” triplet value 8th notes G-A-G to F# dotted 8th to G 16th up to B dotted 8th to A 16th figure to G dotted 8th to F 16th figure. In Bar 20, the clarinet is *col* Eliza’s musical phrase (same register) and also flute and celeste (but an octave higher register). Horn I plays small octave B [written Line 1 F#] half note up to D dotted 8th to C 16th to B dotted 8th to A 16th. The violas are *col* the horn. The harp plays Lines 1 & 2 G quarter notes let vibrate (followed by rests). After a quarter rest in bar 10, violins I play side-bracketed double-stopped small octave G/Line 1 F quarter notes (followed by a quarter rest) to D/F quarter notes, while violins II play double-stopped Bb/F quarter notes twice in those positions. VC/CB pluck pizzicato small octave D quarter note (followed by a quarter rest) down to Great octave G quarter note (followed by a quarter rest).

In Bar 21, Eliza continues on “lute-ly” notated as Line 1 E-E half notes to (Bar 22) “still” notated as the E whole note. In bar 23, she sings “I would” notated as D to E half notes to (Bar24) “nev-er budge ‘til” notated as middle C-D-E-A quarter notes.

Etc.

“Ordinary Man-Insert” 2/4 time. Reel 6/1. 5 pages, 19 bars. Key signature of F maj/D min (one flat). Orchestrated by A. Franklyn. Dvd location: unknown. [Note: I do not believe this insert was actually inserted! I cannot seem to find it anywhere in the Chapter 12 song, but at times the music itself is rather hard to discern, especially when Higgins puts on the screeching audio devices (where I assume this insert is placed)]

[end session 9:30 pm. Busy with other things]

[resume session Sunday, July 18 at 9:22 am]

In Bar 2, the “Six Servants (Voices in Harmony)” sing the song of sympathy for Professor Higgins. On the full score, the chorus line is location below the harp and above the piano. It is only a one-line (as a single instrument), *not* a case of several voices in “harmony.” However, in a separate score document called “Servants Chorus” (yellow Music Papers SK-1), the voices are demarcated into four staves of separated voices in harmony as S.A.T.B (sopranos, altos, tenors, and basses). The top staff (S.S. voices) corresponds to the line given in the full score. I believe the vocal arrangement was by Bobby Tucker with the indication “any solos or duets to be placed over this track.”

We find Line 1 G half note tied to G dotted 8th note up to Bb 16th note. Note that in the full score, the G dotted 8th and Bb 16th are connected by a crossbeam. In the chorus score, they are not (and properly so in terms of customary procedure when voices are notated). So the S.S. voices sing “Poor Pro-Fes-Sor” in Bar 2 with the “Poor” notated as that Line 1 G half note tied to dotted 8th up to Bb 16 (“Pro”) down to F# dotted 8th (“Fes”) up to A 16th (“Sor”). In Bar 3, the “Voices” (in the full score) sing (more specifically the S.S. or sopranos) “Hig-Gins!” This is notated as Line 1 E (natural) 8th note to same E dotted quarter note tied to 8th note (followed by an 8th and quarter rest). Repeat these two bars in the next two bars.

In Bar 2, after a quarter rest, two clarinets play *p* small octave Bb/Line 1 D [written middle C/E] staccato quarter notes (followed by a quarter rest) to C/D [written D/E] tenuto quarter notes to (Bar 3), after a quarter rest, Bb/D staccato quarter notes (followed by a quarter rest) to C/E [written D/F#] tenuto quarter notes. Repeat Bars 2-3 in Bars 4-5. In Bar 2, the bass clarinet plays *p* small octave G [written A] quarter note legato slur up to Line 1 E [written F#] staccato quarter note down to small octave D [written E] staccato 8th note (followed by a 16th rest mark) up to Line 1 D 16th note legato slur up to F# [written G#] tenuto quarter note. Repeat next three bars. In Bar 2, Fag II (bassoon I is silent until Bar 6) plays *p* small octave C# acciaccatura (grace note) to D whole note tied to D whole note next bar. In Bar 4, the bassoon plays again C# grace note to D whole note tied to whole note next bar and also now tied to (Bar 6) D 8th note (followed by 8th/quarter/half rest marks).

The horns are silent after Bar 1 until Bar 7.

In Bar 2, the bells [Note: orchestra bells are often called the *glockenspiel*, as Herrmann normally worded them in his scores] sound Line 1 G quarter note (followed by a quarter rest) to F# quarter note to (Bar 3) E half note (followed by a half rest) to (Bar 4) G half note (followed by a quarter rest) to F# quarter note to (Bar 5, start of page 2) E half note (followed by a half rest). In Bar 2, the “Dance drums” (*brushes*) sound *p* a quarter note (notated on the 2nd space from the bottom) followed by a quarter rest and then another quarter note followed by a quarter rest (repeat thru Bar 5).

The harp is silent until Bar 10. In Bar 3, the celeste plays (after a half and dotted 8th rest) Lines 1 & 2 D 16th to E dotted 8th to F# 16th to (Bar 4) G

half notes (followed by a half rest). Repeat these two bars in the next two bars.

In Bar 2, violins I (now *arco*) play Line 1 G half note tied to dotted 8th note up to Bb 16th down to F# dotted 8th up to A 16th legato down to (Bar 3) E half note tied to dotted 8th note to D 16th to E dotted 8th to F# 16th. Repeat in Bars 4-5. After a quarter rest in Bar 2, violins II pluck *pizz* Line 1 D quarter note (followed by a quarter rest) to another D quarter note to (Bar 3), after a quarter rest, D quarter note (quarter rest following) to E quarter note. Repeat next two bars. After a quarter rest in Bar 2, violas pluck pizzicato small octave Bb quarter note (followed by a quarter rest) to middle (Line 1) C quarter note (repeat thru Bar 5). After a quarter rest in Bar 2, VC pluck *pizz* small octave E quarter note (followed by a dotted 8th rest) to D 16th up to F# quarter note down to (Bar 3) Great octave G quarter note up to small octave E quarter note (followed by a dotted 8th rest) to D 16th up to F# quarter note. Repeat Bar 3 in the next two bars. CB pluck *pizz* small octave G quarter note (followed by a quarter rest) down to D quarter note (followed by a quarter rest). Repeat next three bars.

Back in Bar 2, the A.A. (altos) staff line in the Tucker arrangement sing “Poor” on Line 1 E [remember the sopranos sang on Line 1 G] half note tied to dotted 8th note up to G 16th down to D dotted 8th to F# 16th to (Bar 3) F 8th to D dotted 8th tied to 16th (followed by an 8th and quarter rest). Repeat these two bars in Bars 4-5. The “T.” (tenors) staff line (3rd line) sing small octave F half note tied to dotted 8th note to G 16th to E dotted 8th to F# 16th down to (Bar 3) D 8th to D dotted quarter note tied to 8th note (followed by rests). Repeat next two bars. The basses (4th or bottom staff line) sing small octave Bb half note tied to dotted 8th note up to Line 1 D 16th down to small octave A dotted 8th to middle C 16th down to (Bar 3) G 8th to G dotted quarter note tied to 8th note (followed by rests). Repeat next two bars.

In Bar 6, the Voices sing (in the full score) “Night And Day He” as Line 1 G-G-A-A quarter notes to (Bar 7) “Slaves A-Way! Oh,” as Bb-Bb’ Line 2 C-C quarter notes. After the third quarter note on C (“Way!”), there is a breath mark (and a bit of a hesitation) notated as // slash marks above and between the two final Line 2 C quarter notes. In Bar 8, the voices sing “Poor Pro-Fes-Sor” as Line 2 D half note tied to 8th note down to B 8th to F# back up to B 8th notes up to (Bar 9, start of page 3) “Hig-Gins!” notated as Line 2 D 8th to D dotted quarter note (followed by a half rest).

In Bar 6, violins I play Line 1 G half note to *div* F/A half notes to (Bar 7) G/Bb half notes to G/Line 2 C quarter notes (followed by the // short pause marks) to G/C tenuto quarter notes. After a quarter rest in Bar 8, the top line of violins I play Line 2 F#-G-G# legato quarter notes crescendo while the bottom line plays C quarter note to D half note to (Bar 9) D/A quarter notes to F/B quarter notes to F#/Line 3 C 8th notes (followed by an 8th and quarter rest).

After a quarter rest in Bar 6, now *arco* violins II play Line 1 D unison quarter notes to *div* D/F half notes to (Bar 7) Eb/G half notes tied to quarter notes (followed by the short pause marks) to Eb/G tenuto quarter notes. After a quarter rest in Bar 8, violins II continue on A/Line 2 C quarter notes legato slur to B/D half notes to (Bar 9) C/D quarter notes to D/F quarter notes to D/F# 8ths (followed by an 8th and quarter rest).

After a quarter rest in Bar 6, now *arco* violas play small octave Bb quarter notes to *div* (divisi) A/Line 2 D half notes to (Bar 7) Bb/Eb half notes to C/Eb quarter notes (followed by the // pause marks) to same C/E tenuto quarter notes. After a quarter rest in Bar 8, violas continue on Line 1 F#/A quarter notes to (upper line) B half notes and (lower line) G to G# quarter notes to (Bar 9) A/Line 2 C quarter notes to B/D quarter notes crescendo hairpin to C/D 8ths (followed by rests).

Back in Bar 6, now *arco* VC/CB play small octave G legato to F half notes to (Bar 7) Eb-D-C legato quarter notes (followed by the // short pause) down to Great octave A tenuto quarter note. After a quarter rest in Bar 8, they play small octave D-E-F legato and crescendo quarter notes to (Bar 9) F#-G# quarter notes to A 8th (followed by an 8th and quarter rest for the VC) while CB pluck pizzicato (after that 8th rest) the small octave D quarter note.

In Bar 1, CB pluck *pizz* small octave F quarter note (followed by two quarter rests) to F# quarter note to (Bar 2) G quarter note (followed by two quarter rests) down to C quarter note up to (Bar 3) F quarter note (followed by two quarter rests) down to C quarter note (repeat this bar in Bar 4).

[end session at 11 pm]

[resume Wednesday, July 21 at 8:10 pm.]

Back in Bar 1, clarinet I plays *pp* small octave A [written B] quarter note tied to 8th note (followed by an 8th and quarter rest) to A quarter note legato to (Bar 2) Bb [written middle C] quarter note tied to 8th note (followed by an 8th and quarter rest) to C [written D] quarter note tied to (Bar 3) quarter and 8th notes (followed officially by a half rest and then whole rests next two bars. However, after two 8th rests only in Bar 3 (after the C quarter and 8th notes tie) we have a *Cue* indication (meaning that the option is to actually play the following sequence of music if desired). So we find clarinet I playing *p* C-D-C [written D-E-D] 8th notes (crossbeam connected) up to (Bar 4) Eb-F-Eb [written F-G-F] “3” triplet value 16th notes to middle C dotted quarter note tied to 8th note and then C-D-C 8th notes.

Back in Bar 1, clarinet II plays small octave F [written G] quarter note tied to 8th note (followed by an 8th and quarter rest) to Eb [written F] quarter note legato to (Bar 2) E [written F#] quarter note tied to 8th note (followed by an 8th and quarter rest) to G quarter note to (Bar 3) A quarter note tied to 8th note (followed by an 8th and half rest. There is no “cue” indication for clarinet II. The bass clarinet in Bar 1 plays middle C quarter note tied to 8th note (followed by an 8th and quarter note) to C quarter note tied to (Bar 2) C and 8th notes (followed by an 8th and quarter rest) up to E quarter note legato to (Bar 3) C quarter note tied to 8th note. Then follow the explanation given for clarinet I (*cue* indication). After a half and 8th rest in Bar 3, the English horn plays exact same cued notes delineated for clarinet I. The same applies for the first bassoon (but an octave lower register).

In Bar 3, the tambourine sounds *p* an x-headed dotted quarter note to x-headed 8th note to two x-headed quarter notes (notated on the 2nd staff line from the top).

After a half and quarter rest in Bar 5, violins I play middle C quarter note legato slur up to (Bar 6) Line 2 C dotted quarter note to B 8th note to C quarter note to C# quarter note legato slur to (Bar 7) D dotted quarter note down to Bb 8th down to G to E quarter notes to (Bar 8) the familiar *habanera* flourish of “3” triplet value 16th notes G-A-G (connected by two crossbeams) to F dotted quarter note tied to F half note and tied to F quarter note next bar (followed by rests).

After a half and quarter rest in Bar 5, violins II play unison middle C quarter note to (Bar 6) *div* small octave A/Line 1 F dotted quarter notes to

G#/F 8ths back to A/F quarter notes to Ab/F quarter notes legato slur to (Bar 7) G/E dotted quarter notes to G/E 8ths to Bb/E quarter notes played twice to (Bar 8) *unis* small octave Bb 8th note to A dotted quarter note tied to half note and tied to quarter note next bar (followed by rests).

In Bar 5, violas play double-stopped small octave F/A quarter notes (followed by an 8th rest) to F/A 8ths to F/A quarter notes up to middle C quarter note tied to (Bar 6) dotted quarter note to B 8th to C quarter note to B quarter note to (Bar 7) Bb dotted quarter note to Bb 8th up to Line 1 D to C quarter notes to (Bar 8) C dotted quarter note down to double-stopped F/A staccato 8ths to two F/A staccato quarter note dyads. Celli play Great octave F staccato quarter note (followed by an 8th rest) up to small octave C staccato 8th to D staccato quarter note to C quarter note (not staccato) legato down to (Bar 6) F quarter note (followed by a quarter and half rest). In Bar 7, celli then play C quarter note (followed by two quarter rests) to same C quarter note legato down to (Bar 8) F quarter note (followed by an 8th rest) up to C staccato 8th to D staccato quarter note downward leap to Great octave C staccato quarter note. CB plucks small octave F quarter note in Bar 5 (followed by two quarter rests) down to C quarter note up to (Bar 6) F quarter note (followed by rests) to (Bar 7) C quarter note (followed by a quarter rest) up to middle C back down to small octave C quarter notes up to (Bar 8) F quarter note (followed by two quarter rests) down to C quarter note.

After a half and 8th rest in Bar 10, the first violins return to play the same play the same notes and register as Higgins' singing ("Now once a-" etc). After a half and 8th rest in Bar 8, flutes finally show up to play *p* Line 2 C-D-C 8th notes to (Bar 9) "3" triplet value 16th notes Eb-F-Eb to C dotted quarter note tied to 8th note, and then C-D-C 8th notes to (Bar 10) "3" triplet 16th notes Eb-F-Eb down to C dotted quarter note tied to 8th note (followed by an 8th and quarter rest). The English horn plays the same but an octave lower register (Line 1). Fag I plays the same but two octaves lower (small octave range).

Etc. [end session 9:43 pm]

[resume Thursday, July 22 at 6:36 pm. Jerry Goldsmith died last evening!]

“I Could’ve Danced All Night” *Allo Modto* in 4/4 time, 33 pages, 125 bars. Start of Reel 20, 3:55 visual vocal, cue # 40806. Key signature of Bb maj/G min (2 flats). [The English horn is given 1 flat, and the Bb clarinets/bass clarinet/trumpets have their two normally placed sharps cancelled out] Orchestrated by R. Franklyn. Dvd location: Chapter 21 starting at :09. Instrumentation: 3 flutes, English horn, 2 clarinets, bass clarinet, 2 bassoons, 3 horns, 3 trumpets, 3 trombones, timpani, vibe, bells, harp, voices, celeste, violins, violas, VC/CB.

The celeste in Bar 1 is highlighted playing descending staccato 8th notes (but the initial Bb note is *rinforzando*-marked, and so is the initial note in the second cross-beam connected figure in this bar). So we find the celeste playing *mf* small octave (bottom staff) and Line 1 (top staff) Bb-A-G-F (crossbeam connected notes) to (decrescendo hairpin) G-F-Eb-D staccato 8th notes (crossbeam connected) to (Bar 2) small octave and Line 1 C staccato 8th note played *p* (followed by 8th/quarter/half rest marks). The harp plays *mp* Line 1 G/Line 2 C/Eb/Bb staccato 8th notes (followed by an 8th and quarter rest) down to Eb/A/Line 2 C/G staccato 8ths played *p* (followed by an 8th and quarter rest) to (Bar 2) small octave A/Line 1 Eb/F/Line 2 C staccato 8ths played *pp* (followed by an 8th, quarter, and half rest).

Flute I plays *mf* *rinforzando* Line 2 Bb 8th to staccato A-G-F 8th notes (crossbeam connected) to decrescendo staccato 8th notes (but *rinforzando* initial G note) G-F-Eb-D to (Bar 2) C tenuto half note *p leggiero* (lightly) down to Line 1 F tenuto half note up to (Bar 3) Bb tenuto half note (although cued in instead are staccato 8th notes Bb0Bb0Bb0Bb) down to F tenuto half note to (Bar 4) Bb-A-G-F tenuto quarter notes to (Bar 5, start of page 1) Bb tenuto half note (but cued in 8th notes Bb-A-G-D) to G tenuto half note.

Clarinet I plays *mf* Line 2 *rinforzando* Eb [written F] 8th note to staccato 8th notes D-C-Bb [written E-D-C] to C-Bb-A-G staccato 8th notes (C is *rinforzando*-marked) to (Bar 2) F tenuto half note *p leggiero* to Eb tenuto half note to (Bar 3) Eb half note (but cued in staccato 8th notes Eb-Eb-Eb-Eb) to Eb half note again to (Bar 4) tenuto quarter notes Eb down to small octave Bb up to middle C down to G to (Bar 5) D tenuto half note to D half note tied to (and decrescendo) 8th note in Bar 6). After an 8th and quarter rest, clarinet I then plays small octave staccato 8th notes Bb-A-G-F [written C-B-A-G] to (Bar 7) G staccato 8th (followed by rests). After a half rest in Bar 3, the English horn plays *p* staccato 8th notes Line 1 E-D-C-small octave

F [written B-A-G-middle C] followed by rests in the next two bars. In Bar 6, it plays *pp leggiero* D-C-Bb-A [written Line 1 A-G-F-E] staccato 8th notes (crossbeam connected) to stand alone small octave Bb [written Line 1 F] 8th note (followed by an 8th and quarter rest, and then a full rest next bar).

Back in Bar 1, clarinet II plays *mf* Line 2 rinforzando C [written D] 8th note to staccato 8th notes Line 1 Bb-A-G [written C-B-A] to rinforzando A to staccato G-F-Eb 8ths decrescendo hairpin to (Bar 2) Eb [written F] tenuto half note down to small octave Bb [written middle C] tenuto half note. In Bar 3, clarinet II plays Bb tenuto half note (but cued in Bb-Bb-Bb-Bb 8th notes) to A tenuto half note to (Bar 4) middle C-D-small octave A-Bb tenuto quarter notes to (Bar 5) Bb tenuto half note to A tenuto half note tied to (and decrescendo) 8th note next bar (followed by rests) However, cued in after an 8th and quarter rest in Bar 6, it “plays” (if desired) *pp* staccato 8th notes Line 1 G-F-Eb-D to (Bar 7) Eb-D-C-Bb to C-Bb-A-G. In Bar 3, the bass clarinet appears and plays *p leggiero* middle C [written D] tenuto half note (but cued in C-C-C-C 8ths) down to F tenuto half note (silent in Bar 4). In bar 5, it plays G tenuto half note to F tenuto half note tied to 8th note (followed by rests). After a half rest in Bar 7, it plays *pp* descending 8th notes Line 1 Eb-D-C-Bb. Finally for the woodwinds, Fag I in Bar 1 plays *mf* rinforzando Line 1 G 8th to staccato 8ths F-Eb-D (crossbeam connected) to rinforzando Eb 8th to staccato 8ths C-C-Bb (crossbeam connected) to (Bar 2) small octave A tenuto half note *p leggiero* to G tenuto half note to (Bar 3) G tenuto half note (but cued in staccato 8th notes G-G-G-G) to Eb tenuto half note to (Bar 4) tenuto quarter notes G-F-Eb-D to (Bar 5) E (natural) tenuto half note to Eb tenuto half note decrescendo and tied to 8th note next bar (or possibly D 8th) followed by rests. In bar 7, it plays *pp* descending staccato 8th notes G-F-Eb-D (crossbeam connected) to stand alone Eb staccato 8th note (followed by an 8th and quarter rest).

After a half rest in Bar 5, horn I makes its debut in this cue playing *p leggiero* descending staccato 8th notes G-F-Eb-small octave G [written Line 2 D-C-Line 1 Bb-D] decrescendo up to (Bar 6) Bb [written Line 1 F] staccato 8th (followed by rests).

In Bar 1, violins I are “cue” *mf* (see flute I notes) to (Bar 2) C 8th note (followed by rests) Violins I are silent until Bar 10 (when they actually *play* their notes). Violins II are also cued in (see clarinet I notes) to (Bar 2) F staccato 8th. Then they *play (optional)* divisi middle staccato C/F-C/F-C/F 8ths (crossbeam connected) followed by an 8th rest and then Bb/Eb-Bb/Eb-

Bb/Eb staccato 8ths. After an 8th rest in Bar 3, they play (if they opt to) Bb/Eb staccato 8th dyads three times (followed by an 8th rest) to A/D to A/C to A/F staccato 8ths. After an 8th rest in Bar 4, they play C/Eb staccato 8ths (followed by an 8th rest) to Bb/D staccato 8ths (followed by an 8th rest) to C/Eb staccato 8ths (followed by an 8th rest) to small octave G/Bb staccato 8ths. After an 8th rest in Bar 5, optional violins II “play” Bb/D staccato 8ths 3 X (followed by an 8th rest) to A/D 8ths 3 X. In Bar 6, they then actually *play* (as written above the notes) Bb/Line 1 D whole notes decrescendo (silent next bar). Violas are also cued in “playing” (see clarinet II notes) to (Bar 2) Line 1 Eb 8th. Then they *play (optional)* small octave A/Line 1 Eb staccato 8ths 3 X (followed by an 8th rest) to G/middle C staccato 8ths 3X. In Bar 3, after an 8th rest, they “play” small octave Eb/G staccato 8ths 3 X (followed by an 8th rest) to Eb/F staccato 8ths 3 X. Etc. In Bar 6, violas actually play small octave D/F whole notes decrescendo.

In Bar 1, VC are cued in “playing” descending 8th notes (see Fag I notes described above). In Bar 2, VC actually play (*pizz*) small octave A 8th *p leggiero* (followed by an 8th and quarter rest) to G 8th (followed by an 8th and quarter rest) down to (Bar 3) C 8th (followed by an 8th and quarter rest) down to F 8th (followed by an 8th and quarter rest). In Bar 4, VC pluck small octave G 8th (followed by an 8th rest) to F 8th (followed by an 8th rest) to Eb 8th (followed by an 8th rest) to D 8th (followed by an 8th rest) to (Bar 5) Great octave G 8th (followed by an 8th and quarter rest) to F 8th (followed by an 8th and quarter rest) to (Bar 6, now *arco*) F whole note decrescendo (silent next bar).

In Bar 2, Eliza starts to have the spotlight as she sings “Bed! Bed! I” (to Bar 3) “could-n’t go to bed! My” (to Bar 4) “head’s too light to” (to Bar 5) “try to set it down! Then, after a two-bar tea break (or coffee break), she sings in Bar 8 “Sleep! Sleep! I” (to Bar 9) “could-n’t sleep to-night!” (to Bar 10) “not for all the” (to Bar 11) “jew-els in the” (to Bar 12) “crown!” In Bar 2 this is notated as Line 2 C 8th note (followed by an 8th and quarter rest) down to Line 1 F 8th (followed by two 8th rests) to same F 8th up to (Bar 3) Bb-Bb-Bb-Bb 8ths (connected by a crossbeam) down to F (“bed!”) quarter note to same F 8th up to (Bar 4) Bb-A-G-F quarter notes to (Bar 5) Bb-A-G-D 8th notes to G (“down!”) half note. In Bar 8, we find Line 1 A 8th (followed by an 8th and quarter rest) down to middle C 8th (followed by two 8th rests) to same C 8th up to (Bar 9) A-A-A-A 8ths down to middle C dotted quarter note (followed by an 8th rest). In Bar 10, we find middle C-D-Eb-F to (Bar 11) G-A-Bb-Line 2 C quarter notes to (Bar 12) Bb (“crown!”) whole

note tied to 8th note next bar (followed by an 8th and quarter and 8th rest). Then she sings “I could have” notated as small octave Bb up to D to F 8th notes. In Bar 14, she sings “danced all” notated as Bb dotted half note to A quarter note to (Bar 15) “night! I could have” notated as A half note tied to 8th note downward leap to small octave A up to Line 1 D up to F 8th notes to (Bar 16) “danced all” notated as A dotted half note to G quarter note to (Bar 17) “night! And” notated as G dotted half note to F quarter note to (Bar 18) “still have” notated as D dotted half note to Eb quarter note to (Bar 19) “begged for” notated as F dotted half note to G quarter note to (Bar 20) “more” notated as middle C whole note tied to half note and 8th note next bar. Etc.

In Bar 6, the celeste returns to play *p* descending staccato 8th notes starting Lines 1 & 2 Bb-A-G-F to G-F-Eb-D to (Bar 7) Eb-D-C-Bb to C-Bb-A-G to (Bar 8) small octave and Line 1 A staccato 8ths (followed by rests). Violas in Bar 10 play G up to middle C-C-D quarter notes to (Bar 11) D-C-Eb-Eb quarter notes crescendo to (Bar 12) double-stopped Bb/D whole notes decrescendo and tied to 8th notes next bar (followed by rests). After an 8th rest in Bar 14, top staff violas play *p* Line 1 F 8th (followed by an 8th rest) to F 8th (rest following) to F 8th (8th rest following) to F 8th to (Bar 15), after an 8th rest, F 8th (8th rest following) to F 8th (followed by a half rest). [resume Monday, July 20, 2004 at 5:44 pm. Just finished a foot-long veggie sandwich from Subway. Susan had her customary 6" meatball sandwich. She just left for her Flexohiner job thru 9 pm. National Democratic Convention in Boston started today. Watching it on-&-off on MSNBC. Al Gore finished his rousing speech a bit earlier. Yesterday I had no time for this cue rundown, preferring to bicycle with Susan off Willow near Atlantic, thru various parts of Signal Hill, had a Lite Frappucino on Willow & Cherry, and biked along a bike path along new homes on the Hill]

“Intro. Ascot Gavotte” *Vivo* in 4/4 time, 3 pages, 9 bars. Reel 11, Part 1. Cue # 40807. Orchestrated by R. Franklyn. Dvd location: Chapter 22 starting at :01. Probably the center or core of play/movie started with “The Rain In Spain” sequence, and this Ascot Gavotte section was certainly a refreshing change of pace in this core (that lasts perhaps thru at least the “You Did It!” section or quite possibly the “Show Me!” song!).

Bar 1 = C maj (C/E/G)

http://s32.postimg.org/w1ws0ffit/My_Fair_Lady_Intro_Ascot_Gavotte_R11_pt_1_Bars.jpg

A striking fanfare statement is announced in the first bar (repeated in Bar 3). The scene is refreshingly contrasted (from the rest of the lushly colorful movie) with the predominantly black/white/gray attire. Moreover, the actors are all frozen still, unmoving, as the camera makes several cuts into the mass of proper Ascot Gavotte viewers (horse-racing event). Two flutes play *ff* Line 3 C/E rinforzando-marked (> symbol above the notes) 8th notes (followed by an 8th rest and quarter rest) to another C/E rinforzando 8th note dyad (followed by an 8th and quarter rest). The piccolo plays *ff* Line 3 C 8ths in that pattern, while the oboe plays Line 2 C 8ths. Clarinet I plays Line 2 G

[written A] rinforzando 8ths in that pattern, while clarinet II plays E [written F#] 8ths. The bass clarinet plays small octave G rinforzando 8ths in that pattern, Fag I on small octave E, and Fag II on Great octave C 8ths. Horn I plays Line 1 E [written B] 8ths in that fashion, horn II on small octave G [written Line 1 D], and horn III on middle C [written G above]. The tuba plays *f* (forte) on Great octave C 8ths in that pattern, while the timp beats *mf* on small octave C 8ths. The cymbal sounds two x-headed 8th notes in that pattern. The harp (bottom staff) plays *ff* small octave C/G/middle C/E/G 8ths and (top staff) Line 2 C/E/G/Line 3 C rinforzando 8ths (followed by an 8th and quarter rest) and then another such sounding (followed by an 8th and quarter rest). The piano plays Great octave C/G/small octave E rinforzando 8ths (bottom staff) while the top staff plays middle C/E/G/Line 2 C 8ths in the same pattern of rests. Twelve violins I play *ff* Line 1 G/Line 2 E/Line 3 C rinforzando 8ths (followed by an 8th and quarter rest) to another such G/E/C rinforzando 8ths (followed by rests). I am not sure of how they are played since I see the curve line on the left of the notes (triple-stopped?). Since it is not the standard side-brackets, perhaps it's more a vertical slur, a sort of a rolled chord version of the violins. Similarly, 6 violins II play middle C/G/Line 2 E rinforzando 8ths. Violas play small octave C/G/Line 1 E/Line 2 C rinforzando 8ths, while celli play Great octave C/G/small octave E/Line

1 C 8ths in that pattern. CB play *ff* rinforzando small octave C 8ths in that pattern.

Trumpets, trombones, and snare drum are highlighted, playing a different pattern of notes. Trumpets play forte Line 1 E/G/Line 2 C [written F#/A/D] rinforzando 8ths to unison Line 1 G-G 16ths to next figure (crossbeam connected) of G-G 8ths. Repeat these two figures again in this bar. Pos play small octave C/G/Line 1 C rinforzando 8ths to unison G-G 16ths to G-G 8ths (repeat the two figures in the same bar). The snare drum sounds *mf* a rinforzando 8th to two 16ths to two 8ths to (a repeat of these notes). The notes are located on the 2nd space from the top.

In Bar 2, flute I plays staccato 8th note (the first note is also rinforzando-marked) Line 3 F-F-F-F (crossbeam connected) to F-F-F-F (crossbeam connected). Flute II plays Line 2 D-C-Line 2 B-A staccato 8th notes (crossbeam connected) to B-Line 3 C-D-Line 2 B staccato 8th notes. The piccolo plays the same as flute II. The oboe plays also as flute II but an octave lower register. Clarinet I plays Line 2 G [written A] repeat staccato 8th notes (G-G-G-G to G-G-G-G), while clarinet II plays Line 2 F 8th notes. The bass clarinet plays Line 1 G-A-G-F staccato 8ths (the first note is also rinforzando-marked) to G tenuto half note. Fag I plays small octave B-A-G-F staccato 8th notes (crossbeam connected) to G-A-B-G staccato 8ths (crossbeam connected). Fag II plays Great octave G tenuto whole note.

Horn I plays Line 1 F-F-F-F to F-F-F-F [written as Line 2 C notes] 8th notes. Horn II (sharing the same top staff) plays small octave B-A-G-F {written Line 1 F#-E-D-middle C} staccato 8th notes to G-A-B-G 8ths. Horn III (alone in the bottom staff) plays Line 1 D-C-B-A to B-Line 1 C-D-B 8ths. Trumpets are “Cue” on diminutive staccato 8th notes F/G/Line 2 D 8ths (followed by rests). I do not believe they were actually played in the final version. Pos are also “Cue” on Great octave G/small octave G/B staccato 8ths (followed by rests). The tuba (like Fag II) plays Great octave G tenuto whole note. The snare drum plays a staccato 8th note (followed by an 8th/quarter/half rest marks).

Six top line violins I play Line 3 D-C-Line 2 B-A staccato 8ths to B-C-D-B staccato 8ths, while six bottom line violins I play Line 2 F-F-F-F to F-F-F-F staccato 8ths. Six violins II play Line 2 D-C-Line 1 B-A staccato 8ths to B-C-D-B 8ths. Viole play Line 1 G-G-G-G to G-G-G-G staccato

8ths. VC play small octave B-A-G-F staccato 8ths to G-A-B-G 8ths. CB play small octave G rinforzando whole note.

Bar 3 repeats Bar 1.

Bar 4 pretty much repeats Bar 2 except that the last 8th notes as played by the flutes/piccolo/oboe/clarinets/Fag I/horns/violins/viole/celli are not staccato play played normal value and legato slur to (Bar 3) rinforzando 8th notes (in the pattern of Bar 1 but with new notes, as I'll describe shortly). In Bar 4, the bass clarinet plays again (as in Bar 2) G-A-G-F staccato 8ths to G tenuto dotted quarter note to F 8th note legato slur to next bar. Fag II plays Great octave G tenuto half note tied to dotted quarter note to F 8th legato slur to next bar. Trumpets play at the very end of Bar 4 (*play*) D#/A/Line 2 D# 8ths legato slur to next bar, while Pos play small octave F/A/B 8ths. The tuba is *col* Fag II. The snare drum sounds an 8th note (followed by an 8th/quarter/quarter/8th rest) to an 8th note trem roll. After a half/quarter/8th rest, the cymbal sounds an x-headed 8th note trem. CB play small octave G rinforzando half note tied to dotted quarter note to F 8th legato to next bar.

Bar 5 = E maj (E/G#/B)

The flutes play Line 3 E/G# rinforzando 8th notes (followed by an 8th and quarter rest) to E/G# rinforzando 8ths (followed by an 8th and quarter rest), while the piccolo plays Line 3 E rinforzando 8th notes in that pattern, and the oboe on Line 2 E 8ths. Clarinet I plays Line 2 B [written Line 3 C#] rinforzando 8ths, while clarinet II plays G# [written A#] 8ths. The bass clarinet plays Line 1 E [written F#] rinforzando 8th note (followed by an 8th and quarter rest) down to small octave B [written middle C#] rinforzando 8th (followed by an 8th and quarter rest). Fag I plays small octave E rinforzando 8th (followed by an 8th and quarter rest) to G# 8th (followed by rests), while Fag II plays two Great octave E 8ths in that fashion. Horns play B/Line 1 E/G# [written Line 1 F#/B/Line 2 D#] 8ths in that pattern. The tuba (and timp) plays two Great octave E 8ths (as Fag II). The cymbal sounds two x-headed 8ths. The harp bottom staff plays small octave E/B/Line 1 E/G# and (top staff) Line 2 E/G#/B/Line 3 E 8ths in that pattern. The piano plays Great octave E/B/small octave G# and (top staff) Line 1 E/G#/N/Line 2 E 8ths. The initial tonality is the A major (A/C#/E) as most of the orchestra sounds sforzando 8th note (^ symbol above the notes). [7:15 pm] [8:40 pm: Susan and I just walked up to “Your House” and had teriyaki shrimp dinner for \$6.95. On the way back, we decided to walk

down an alley we never went down before to experience “something different.” Indeed it was! We encountered a pigmy pig named “Twilight” wandering around loose! Fortunately it belonged to someone who came out to retrieve it. He and his wife bought it on eBay for \$500.]

In Bar 5, flute I plays forte Line 2 G-A-B grace notes (notated as 32nd notes) to Line 3 C sforzando 8th note (followed by an 8th rest) down to G 8th (followed by an 8th and quarter rest) to same G 8th (followed by an 8th rest) to (Bar 6), after a quarter rest, G 8th (followed by an 8th rest) to G 8th (followed by an 8th rest) to G# rinforzando trill (to natural) to F#-G# after-beats (grace notes) to (Bar 7) A 8th note (followed by an 8th rest) to B rinforzando trill (to natural) to A-B after-beats to C 8th (followed by an 8th rest) up to E sforzando 8th note (followed by an 8th rest) to (Bar 8) A sforzando 8th note (followed by rests). At the end of this bar, the chorus starts to sing (as I’ll describe shortly).

In Bar 5, the harp plays the C maj (C/E/G) tonality with the sforzando 8th notes. We find (bottom staff) small octave C/G/middle C/E and (top staff) Line 2 C/E/G/Line 3 C 8ths (followed by rests). The bells play Line 3 C sforzando 8th (followed by rests thru Bar 6 and most of Bar 7. The timp sounds *mf* the small octave C 8th note (followed by rests). Ten violins I play forte Line 1 G/Line 2 E/Line 3 C sforzando 8ths (followed by an 8th and dotted 8th rest) and then *mp* on Line 2 G 16th to E dotted 8th to F 16th figure (crossbeam connected) down to D dotted 8th to 16th figure to (Bar 6) C dotted 8th to D 16th figure to E dotted 8th to F 16th to stand alone G 8th (followed by an 8th rest) to the trill figure (see flute I description above) to (Bar 7) the same notes as flute I until the 4th beat where we find Line 2 D/E sforzando 8ths (followed by an 8th rest) to (Bar 8) C#/A sforzando 8ths (followed by an 8th and two quarter rests) down to Line 1 F dotted 8th to G 16th played *mp*. Eight violins II play the same notes as violins I thru Bar 6 and most of Bar 7 to Line 2 D/E rinforzando 8ths legato to (Bar 7) C/E staccato 8ths (followed by an 8th rest) up to D/F rinforzando 8ths legato to C/E 8ths (followed by an 8th rest) down to G#/B sforzando 8ths (followed by an 8th rest) to (Bar 8) A/Line 2 E sforzando 8ths (followed by an 8th and two quarter rests) down to Line 1 F dotted 8th to E 16th. I’ll skip the rest of the strings for these bars, and the remaining woodwinds (etc). In Bar 8, the horns play small octave A/middle C# sforzando 8ths (followed by an 8th rest). While the following three 8th notes are indicated as *optional*, they are obviously heard (chosen to be played) at this point (:31). So we find small octave and Line 1 A [written E] staccato 8th notes (followed by an 8th rest) to

another such A pairing or octaves (followed by an 8th rest) to another such pairing (followed by an 8th rest). These notes are played in the *mp* dynamics.

At the end of Bar 8 (after a half and quarter rest), the chorus starts to sing. We hear “Ev-ry” notated as Line 1 F# dotted 8th to G 16th to [Bar 9, *Tempo Di Gavotta (Molto Grazioso)*] “Duke and earl and” notated as Line 1 A-A-A-A quarter notes to (Bar 10) “peer is here; Ev’ry” notated as A up to Line 2 D-D quarter notes down to Line 1 D dotted 8th to E 16th. In Bar 13, they sing “smash-ing ab-so-lute-ly” notated as F#-F# quarter notes to F-F#-G-E 8th notes to (Bar 14) “dash-ing spec-ta-cle-the” notated as A-A quarter notes to G-F#-G-E 8th notes to (Bar 15) as-cot op-‘ning” notated as F#-F#-E-E quarter notes to (Bar 16) “day” notated as D dotted half note (etc).

Back in Bar 9, violins I play Line 1 A-A-A staccato quarter notes to A trill (to natural) to G# grace note or after-beat to (Bar 10) A tenuto quarter note legato slur up to Line 2 D 8th note (followed by an 8th rest) to same D 8th (followed by an 8th rest) down to Line 1 D dotted 8th to E 16th legato to (Bar 11) F#-F#-F# staccato quarter notes to F# trill to E# after-beat to (Bar 12) F# tenuto quarter note legato up to B 8th note (followed by an 8th rest) to B 8th (followed by an 8th rest) down to D-E 8th notes. Violins II pretty much follow suit but without, most noticeably, the trill figures. So we find in Bar 9 F#-F#-F#-F# staccato quarter notes to (Bar 10) F# tenuto quarter note legato to A 8th note (followed by an 8th rest) to G 8th (followed by an 8th rest) down to D quarter note legato to (Bar 11) D-D-E-E staccato quarter notes to (Bar 12) D tenuto quarter note legato to F# 8th (followed by an 8th rest) to G 8th (followed by an 8th rest) down to D quarter note.

In Bar 11, violas continue on A-A-A#-A# staccato quarter notes to (Bar 12) B quarter note legato up to D 8th (followed by an 8th rest) to divisi B/D 8ths (followed by an 8th and quarter rest). VC play middle C-C-B-B staccato quarter notes to (Bar 10) A tenuto quarter note legato to middle C 8th (followed by an 8th rest) to B 8th (followed by an 8th rest) to B dotted 8th to Bb 16th to (Bar 11) A down to D to C to F staccato quarter notes to (Bar 12) F half note legato to G 8th (followed by an 8th and quarter rest). Silent in Bar

After a half rest in Bar 11, CB plucks F quarter note (followed by a quarter rest) to (Bar 12) B quarter note (followed by a quarter rest) down to G quarter note (followed by a quarter rest).

Back in Bar 9, flute I and celeste play *p grazioso* staccato 8th notes Line 2 D-A-F#-D (crossbeam connected) to E-A-G-E staccato 8ths (crossbeam connected) to (Bar 10) F#-A-F#-D up to G-D-Line 1 B-Line 2 D 8ths to (Bar 11) Line 1 A up to Line 2 F# to D down to Line 1 A 8ths to A# up to Line 2 F#-E-C# 8ths to (Bar 12) B up to Line 2 F#-D-Line 1 B up to G-D-B-D staccato 8ths. Clarinet I also plays these notes but an octave lower register. After a half and quarter rest in Bar 12, oboe I plays *mp* Line 2 D-E legato 8ths note, while oboe II plays Line 2 D quarter note. Bassoon I in Bar 9 plays *mp* Line 1 D whole note tied to half note and 8th note next bar (followed by an 8th and quarter rest). In Bar 11, the bassoon plays small octave A half note legato to A# half note to (Bar 12) B half note tied to 8th note (followed by an 8th and quarter rest).

More instruments join in to play in Bar 13 as the chorus sings “smashing ab-so-lute-ly.” The harp top staff plays *mp* ascending staccato 8th notes small octave A-Line 1 D-F#-A (D maj) down to A-middle C#-G-A 8ths down to (Bar 14) A-D-F#-A to B-D#-E-G (etc). The bottom staff plays Great octave A staccato quarter note (followed by a quarter rest) to another A staccato quarter note (followed by a quarter note) down to (Bar 10) D quarter note (followed by a quarter rest) up to G quarter note (followed by a quarter rest). The celeste plays Line 2 F# 8th (followed by an 8th and quarter rest) to Lines 1 & 2 G-F#-G-E staccato 8th notes to (Bar 14) A 8ths (followed by an 8th and quarter rest) to G-F#-G-E staccato 8ths.

Clarinets play Line 1 D/F# 8th notes (followed by an 8th and quarter rest) to C#/G 8ths (followed by an 8th and quarter rest) to (Bar 14) D/A and then small octave B/Line 1 G 8ths in that pattern. Fag I plays

small octave A-F#-A-Line 1 D staccato 8ths to C# half note trill to B-C# after-beats to (Bar 14) D-A-D-C staccato 8ths to B half note trill. Fag II plays Great octave G# grace note to A sforzando 8th (followed by an 8th and quarter rest) to A 8th (followed by an 8th and quarter rest) to (Bar 14) after a half rest, G 8th (followed by rests). [Note: The A clarinets are transposing instruments that sound a minor 3rd in variance to what is written, while the Bb clarinets are transposing instruments that sound a major 2nd in variance. Therefore, the written C for the Bb clarinet *sounds* (in C pitch or concert pitch) as the Bb note, while the C written note for the “A” clarinet *sounds* as the A note below. So the formula for the Bb instruments is to go down three steps starting with the written note (eg., C-B-Bb), while for the “A” instruments you go down 4 steps (eg., C-B-Bb-A) starting with the written note] Dvd location: Chapter 25 starting at :02.

“After Ascot” *Fast* in 4/4 time, 15 pages, 58 bars. R12/2, cue # 40811. Orchestrated by Al Woodbury. Dvd location: Chapter 25 starting at 1:02. Scene: Eliza loses her recently learned gentry composure when she yells at Dover, the race horse, to “move your bloomin’ ass!” Everybody reacted with stunned disbelief except for the Jeremy Britt character (Freddy) that smiled with charismatic delight. He was really right for Eliza (and the right age) so I do believe the movie may’ve ended in a wrong turn when she stayed with Professor Doolittle.

After a half and quarter rest, the violins start to play (:38) a raid sequence of 16th note figures as Higgins dashes up the stairs into his flat, completely oblivious to Freddy’s presence. We find Line 1 G/G-G/B 16ths to A/C-A/C 16ths (that is, the top line play B-B to C-C 16ths while the bottom line violins play G-G-A-A 16ths). [resume Thursday, July 29th at 5:21 pm]

Trumpets are spotlighted initially with the royalty entrance fanfare. The last four 8th note triads are connected by a crossbeam. The snare drum is *Cue* of

rinforzando quarter note trem tied to 8th note (followed by a 16th rest) to non-trem 16th note to rinforzando quarter note trem roll tied to 8th note and then a non-trem 8th note (repeat next bar) The notes are placed on the top space of the staff. The cymbal is also cued in “playing” an x-headed rinforzando quarter note let vibrate (followed by a quarter rest) to another quarter note to two 8th notes (repeated next bar). The x-heads (not X-Men) are placed on the top line of the staff. Sharing this staff on the bottom space is “played” (actually cued in—whether used or not) the bass drum. It sounds forte a quarter note (followed by a quarter rest) to another quarter note to two 8th notes (repeated next bar).

In Bar 2, three horns now join in with the trumpets. Trumpets play E/G#/C# [written F#/A#/Line 2 D#] quarter notes to same E/G#/C# dotted 8th notes to F#/A#/D# 16ths to G#/B/E 8th notes down to E/G#/C# 8th notes to F#/A#/D# 8th notes up to G#/B/E 8th notes. “Off-Stage Waltz” R14/3A, cue # 40819. 19 pages, 65 bars. Key signature of Bb maj/G min (2 flats). Orchestrated (*Arr.*) by R. Franklyn. Dvd location: Chapter 34 starting at :13. [Note: This music is a scaled-down version of the exact music heard right after the “Overture” (read R1/2 “After The Theatre”).

In Bar 1 (set in $\frac{3}{4}$ time for the waltz), ten violins I play *p* Line 1 D quarter note up to G dotted quarter note down to D 8th to (Bar 2) F# dotted half note (all notes are played under the legato umbrella). Repeat these two bars in Bars 3-4. After a quarter rest in Bar 1, eight divisi violins I play *p* small octave Bb/Line 1 D quarter notes tied to 8th notes (followed by an 8th rest). After a quarter rest in Bar 2, they play A/middle C# tenuto half notes. Repeat these bars in Bars 3-4. After a quarter rest in Bar 1, six violas play *p* small octave G quarter note tied to 8th note (followed by an 8th rest). After a quarter rest in Bar 2, they play G tenuto half note. Bar 3 repeats Bar 1, and then (in Bar 4), after a quarter rest, violas play small octave tenuto F# dotted half note. Six celli play Great octave Bb up to small octave F 8th notes (crossbeam connected) legato up to Line 1 D 8th note (followed by an 8th rest) down to Great octave F quarter note legato up to (Bar 2) small octave Eb dotted half note. Repeat these bars in Bars 3-4. [On television at this moment, Kerry is now just about to give his acceptance speech at the Democratic Convention in Boston: “I’m John Kerry, and I’m reporting for duty!”]CB play small octave Bb quarter note tied to 8th note (followed by an 8th rest) down to F quarter note tied to F quarter note and 8th note next bar (followed by an 8th rest) to F quarter note again legato up to (Bar 3) Bb quarter note tied to 8th note (followed by an 8th rest) down to F quarter note tied to quarter note and 8th note (followed by an 8th rest) to F quarter note tied to next bar.

The harp in Bar 1 plays *p* Great octave B up to F 8th notes to G/Bb/Line 1 D 8th notes (followed by an 8th and quarter rest). After two quarter rests in Bar 2, the harp plays Great octave F quarter note legato up to (Bar 3) Bb up to small octave F 8th notes to G/Bb/D [G min] 8th notes (followed by an 8th and quarter rest) Repeat Bar 2 in Bar 4. After two quarter rests in Bar 2, the bells (*soft hammer*) sounds *pp* Line 1 F quarter note let

vibrate. After two quarter notes in Bar 4, the orchestra bells return to sound Lines 1 & 2 F quarter notes let vibrate.

Included in this light orchestral mix are the flute and alto flute. The alto flute is a transposing instrument in G, meaning that the written C for the alto flute *sounds* as the G note below in concert pitch. It is pitched a perfect 4th lower than the ordinary “C” flute. The formula is to go down six steps starting with the written note in question. Therefore, for example, we have written C-B-Bb-A-Ab-G (G is the sixth note that is sounded in concert pitch). At any rate, after a quarter rest in Bar 2, flute I plays *p* Line 1 stand alone A 8th note down to D# up to A down to D# up to A 8th notes (these four notes are connected by a crossbeam). The top line of the celeste *also* plays these notes. After a quarter rest in Bar 2, the alto flute (with the key signature of three flats) plays middle C# [written F# above] 8th note down to small octave A [written Line 1 D] 8th note up to C# 8th down to A up to C#. The bottom line of the celeste also plays these notes.

In Bar 4, after a quarter rest, we now hear flutes I & II while the alto flute is silent. The flutes play A/Line 2 C# stand alone 8th notes down to D#/F# 8ths up to A/C# 8ths down to D#/F# 8ths up to A/C# 8ths played legato. The celeste also plays these notes.

Etc.

“The First Waltz” *Tempo Di Valse Brillante* in $\frac{3}{4}$ time, 11 pages, 41 bars. Key signature of Eb maj/C min (three flats). R14/4, cue # 40821. Orchestrated by A. Courage. Dvd location: Unsure. [Note: The first several bars at least were not used in the final edit of the film. The scene where the music was *supposed* to start was when Eliza and the prince descend the short stairs to dance the first official waltz. In fact, written right on the full score (above the piano staves) is “Audrey and Prince Start Down Steps.” Actually there is no music played here, for some reason edited out. And I am not sure where exactly the music *does* start in the written cue corresponding to the film since I did not have time to explore.

In Bar 1, ten violins I play forte Line 3 D-D 8th notes to D quarter note (followed by a quarter rest) to (Bar 2) Eb-Eb 8ths to Eb quarter note (followed by a quarter rest) to (Bar 3) E-E 8ths to E quarter note (followed by a quarter rest) to (Bar 4) F-F 8ths to F quarter note (followed by a quarter rest). In the same pattern, violins II play divisi Line 2 G/Bb notes in Bar 1,

The snare drum plays forte two 8th notes to one quarter note (repeated next three bars). The cymbal sounds an x-headed quarter note (followed by two quarter rests) repeated thru at least Bar 4. The bass drum sounds on the 3rd beat of each bar. The bells play Line 3 D half note (followed by a quarter rest) to (Bar 2) Eb half note (followed by a quarter rest) to (Bar 3) E half note to (Bar 4) F half note. After two quarter rests in Bar 1, the harp (bottom staff) plays Contra-octave and Great octave Bb rinforzando quarter notes tied to 8th notes next bar (followed by an 8th and quarter rest). Horns II-III play this on small octave Bb notes, as well as the bass clarinet. Pos I-II play forte Bb/Line 1 D 8ths twice to Bb/D quarter notes (followed by a quarter rest) to (Bar 2) Bb/Eb notes in that pattern to (Bar 3) Bb/E notes to (Bar 4) Bb/F notes. Trumpets play Ab/Bb/D 8ths twice to quarter notes (followed by a quarter rest) to (Bar 2) Ab/C/Eb notes in that same pattern to (Bar 3) G/C#/E notes to (Bar 4) Ab/D/F notes.

Flute II plays similarly but on Bb-Line 2 D-F-Bb 16ths to (Bar 2) C sforzando 8th (followed by an 8th and quarter rest) to C-Eb-Ab-C 16ths to (Bar 3) C# 8th note (followed by an 8th and quarter rest) to C#-E-G-C# 16ths to (Bar 4) D 8th note (rests following) to Line 2 D-F-Ab-D 16ths. Flute III plays Line 1 Ab-Bb-Line 2 D-F crescendo 16ths to (Bar 2) Ab sforzando 8th (followed by an 8th and quarter rest) to Ab-Line 2 C-Eb-Ab 16ths to (Bar 3) G 8th note (followed by rests) to Line 1 G-Line 2 C#-E-G 16ths to (Bar 4) Ab sforzando 8th (rests following) to Ab-D-F-Ab 16ths. “The Tango” *Romantic and Suave-Like* [no kidding! This is the actual tempo marking written!] in 4/4 time, 9 pages, 37 bars. R15/2, cue # 40823. Key signature of one sharp. Orchestrated (or arranged) by A. Courage. Dvd location: Chapter 34 starting at 3:29. Also written at the top of the title (first) page is “Clicks 9 ½ Frs, 4/Bar.” Also written to its right is “Overlength At Ending For Mechanical Crossfade To 15-3.” Instrumentation: violins are *con sord* (muted) except for the solo violin (*senza sord*). So we find 9 violins I (the solo violin would make ten violins I), 8 *sords* violins II, six *sords* violas, six VC (*senza sords*), 3 CB. We also find a harp, vibe (I believe), castanets, tambourine, Pos, trumpets, horns (perhaps only 1), 1 Fag, bass clarinet, 2 clarinets, oboe, 3 flutes. I may’ve missed more instruments since I only have the title page xeroxed.

In the grace bar, the solo violin plays *mf* Line 2 (Line 1 for violins I, small octave for violas) G-B-Line 3 D legato 8th notes to (Bar 1) G dotted half note legato slur to F# quarter note to (Bar 2) F# half note tied to 8th note down to Line 2 F#-B-Line 3 D legato 8th notes to (Bar 3) F# dotted half note to E quarter note to (Bar 4) E dotted half note to D quarter note. You’ll note that the violins and violas are playing the “I Could’ve Danced All Night” theme. After a quarter and 8th rest in Bar 1, violins I are *Div a 3* playing *mp Lightly* Line 1 tenuto F#/A#/C# 8th notes legato to A#/C/E 8ths (followed by an 8th and quarter rest). Repeat in Bar 2. In the same pattern in Bar 3, they play middle C#/F#/A# tenuto 8th notes legato to E/A/C 8ths followed by rests (repeated in Bar 4). VC in Bar 1 play *mf* Great octave G tenuto quarter note (followed by an 8th rest) up to small octave D 8th legato up to B staccato quarter note down to D staccato quarter note (a rather *habanera* rhythm) repeated next three bars at least. The bottom staff of the harp also plays this pattern and notes, as well as the bassoon. The top staff of the harp plays *mf* Line 1 D/G/B/D quarter notes arpeggiando (followed by a quarter and half rest, repeated in Bar 2. In Bar 3, the harp plays B/D/G/B arpeggiando quarter notes followed by rests (repeated in Bar 4). In Bar 1, the celeste plays *mp* Line 1 G/B/Line 2 D/G/B/Line 3 D/G arpeggiando quarter notes (followed by rests) to (Bar 2) F#/B/D/F#/B/D/F# quarter notes (repeated in Bar 3). The tambourine is *tapped lightly mp* on a staccato quarter note (followed by a

quarter rest) to two staccato quarter notes (notated on the top space of the staff) to (Bar 2), after a quarter and 8th rest, staccato 8th note to two quarter notes. Repeat these bars in Bars 3-4. The castanets play (notated also on the top space of its own staff) *mp lightly* staccato quarter notes on the 1st and 4th beats of each bar.

Flute I plays *mf softly* on Line 2 D tenuto quarter note (followed by an 8th rest) to C# tenuto 8th note legato and decrescendo up to E 8th note (followed by an 8th rest) to D quarter note tied to (Bar 2) D 8th note to D-D tenuto 8th notes to C# tenuto 8th note legato to E 8th note (followed by an 8th rest) to D quarter note down to (Bar 3) B quarter note (followed by an 8th rest) down to A# tenuto 8th note legato up to C 8th (followed by an 8th rest) to D quarter note tied to 8th note in Bar 4, and then D-D-A# tenuto 8ths to Line 2 C 8th (followed by an 8th rest), and so forth. Flute II plays Line 1 B tenuto quarter note (followed by an 8th rest) to A# tenuto 8th legato up to A 8th (followed by an 8th rest) to B quarter note tied to (Bar 2) 8th note, and then B-B-A# tenuto 8th notes up to C 8th note (followed by an 8th rest) to B quarter note down to G quarter note next bar (followed by an 8th rest) down to F# tenuto 8th legato up to A 8th (etc). Flute III plays G tenuto quarter note (followed by an 8th rest) to F# tenuto 8th up to A 8th decrescendo (followed by an 8th rest) to G quarter note tied to (Bar 2) 8th note, and then G-G-F# tenuto 8th notes up to A 8th (followed by an 8th rest) to G quarter note down to (Bar 3) D quarter note (followed by an 8th rest) down to middle C# tenuto 8th decrescendo and legato up to E 8th note (etc). Clarinet I follows the flute I line but an octave lower register, while clarinet II follows the flute II line an octave lower register, and the bass clarinet follows flute III in the same Line 1 register.

“Intro To ‘You Did It’” 2/4 time, I believe 14 pages, 56 bars.
R15/3, cue # 40824. Dvd location: Not Applicable. [Note: This cue was not used in the final edit of the film. On the cue is stated “Overlaps ‘You Did It Part I’ Pre-recording.” Apparently it was intended to be used just before Pickering sings the song.

http://s32.postimg.org/59schk7rp/My_Fair_Lady_You_Did_It.jpg

I just barely worked on the cue, but in Bar 1 the violins are trill *p* on Line 1 D half note tied to half notes next three bars (poco crescendo thru Bar 4). I do not have the other strings. After a quarter and 8th rest in Bar 4, the flute plays Line 2 D rinforzando 8th, the oboe on Line 1 D 8th (etc). At any rate, my time was very limited at this point in my research and I did not want to focus at length on a cue that was not actually used. Another note: If indeed the intended bars were 56, apparently they were cut down to 38 bars. Reason: the overlap to cue # 40825 (“You Did It-Part I”) has its title (first) page starting on Bar 39. So Bar 1 = Bar 39, Bar 2 = Bar 40, and so on. Probably the bar numbers used corresponds to the original version of the Lerner & Loewe output.

“You Did It Part I” *Vivace* in 2/4 time, 22 pages, 125 bars. Cue # 40825. End of Reel 15, visual vocal, 4:30. Orchestrated (*Arr.*) by R. Franklyn. Dvd location: Chapter 35 at 1:09. [Note: The first four bars (except for the 8th end note in Bar 4) were not used] Scene: Pickering is glowing with pride and relief over the success of the evening’s royalty Ball, and shortly expresses his joy in song.

In Bar 1 (written as Bar 39), only flute I, clarinet I, and bassoon I play descending staccato 8th note figures. Flute I plays Line 3 (Line 2 for the clarinet, and Line 1 for the bassoon) F# rinforzando and staccato 8th note to E staccato 8th note (crossbeam connected) to D-C# staccato 8th notes (crossbeam connected) to (Bar 40—or Bar 2) B-A staccato 8th notes to G#-F# staccato 8th notes to (Bar 41, or Bar 3) F-E staccato 8th notes to D-C# staccato 8th notes to (Bar 42, or Bar 4) C staccato 8th note (followed by an 8th and quarter note).

After a quarter and 8th rest in Bar 42 (or Bar 4), we actually now do hear Pickering sing “To-“ notated as Line 1 D 8th note. In Bar 43 (or Bar 5), the key signature is now F maj/D min (one flat). Pickering continues on “-night, old man, you” notated as middle C up to E Line 1 8th notes (crossbeam connected) up to G up to Bb 8th notes (crossbeam connected) to (Bar 44, or Bar 6) “did it! You” notated as Line 2 D-C 8ths (followed by an 8th rest) to A 8th to (Bar 45) “did it! You” notated as C-Bb 8ths (followed by an 8th rest) to G 8th to (Bar 46, or Bar 8) :did it! You” notated as Bb-A 8ths (followed by an 8th rest) down to D 8th note.

Violins I play exactly the same notes but marked as staccato notes in Bar 43 (or Bar 5) to (Bar 44) Line 2 D legato to C 8th notes (followed by an 8th rest) to A 8th to (Bar 45) C-Bb legato 8ths (etc). After an 8th rest in Bar 43, violins II play *p* double-stopped small octave Bb/Line 1 E 8th notes (followed by an 8th rest) to Bb/E 8th notes again to (Bar 44), after an 8th rest, A/F 8th notes (followed by an 8th rest) to A/F 8ths to (Bar 45) a repeat of Bar 43 to (Bar 46), after an 8th rest, A/Line 1 F 8ths (followed by an 8th rest) to D 8th note. VC play small octave C half note tied to half notes next two bars legato up to F quarter note (followed by a quarter rest) to F 8th note. CB pluck *pizz* small octave G 8th (followed by an 8th rest) down to C 8th note (followed by an 8th rest) to (Bar 44) F 8th (followed by an 8th rest) down to C 8th note (followed by an 8th rest). Repeat these bars in the next two bars. I believe the snare drum (*brushes* used) play (after an 8th rest) an x-headed 8th note (followed by an 8th rest) to another 8th note . Repeat next bars. I believe the bass drum on the 1st beat and in effect 3rd (sub) beat.

The first clarinet plays *p* middle C [written D] up E [written F#] staccato 8th notes, etc (see the Pickering song or violins). After a quarter and 8th rest, clarinet II plays Line 1 Bb [written C] staccato 8th note to (Bar 44) A tenuto quarter note (followed by an 8th rest) down to F staccato 8th note to (Bar 45) G tenuto quarter note (followed by an 8th rest) to same G staccato 8th note to (Bar 46) F tenuto quarter note (followed by a quarter rest). Fag II plays small octave E staccato 8th note (followed by two 8th rests) to G staccato 8th note to (Bar 44) A tenuto quarter note (followed by an 8th rest) to F staccato 8th note to (Bar 45) E tenuto quarter note (followed by an 8th rest) to E staccato 8th note to (Bar 46) F tenuto quarter note (followed by an 8th rest) to F 8th note. Fag I plays small octave Bb staccato 8th note (followed by two 8th rests) up to E staccato 8th note to (Bar 44) F tenuto quarter note (followed by an 8th rest) to middle C staccato 8th to (Bar 45) C tenuto quarter note (followed by an 8th rest) to C staccato 8th note to (Bar 46) C tenuto quarter note (followed by an 8th rest).

ETC. [end session 10:08 pm. Busy earlier with going to the bank with Susan, shopping at Albertson's, feeding Tina on Shaw, eating at the Tea Garden restaurant on 2nd street, and then later at home watching John Williams conducting the Boston Pops doing a tribute to Bernard Herrmann and then Henry Mancini. I hope to finish this cue rundown of *My Fair Lady* by Sunday evening. We shall see!]

[resume Saturday, July 31 at 4:55 pm]

“You Did It Interlude” 2/4 time, 4 pages, 14 bars. Key signature of A maj/F# min (3 sharps). Orchestrated by A. Courage. Dvd location: Chapter 35 at 2:38. Scene: Pickering concludes his song, sits down on a chair, and wipes his brow with a white handkerchief. Higgins relates more of the Royal Ball events, especially re: Count Imposterologist!

In the grace bar, the flute plays *mp* and Line 2 (Line 1 for the oboe and violins I) F# 8th note legato to (Bar 1) E up to G# legato 8th notes up to B up to Line 3 (Line 2 for the oboe and violins I) staccato 8th notes up to F# rinforzando-marked 8th note down to E 8th note (followed by an 8th rest) down to C 8th up to (Bar 3) E rinforzando 8th note to D 8th note (followed by an 8th rest) down to B 8th up to (Bar 4) D rinforzando 8th down to C 8th note (followed by an 8th rest) down to F# 8th note. This melody line continue again in the following bars but now in the key signature of Eb maj/Gb min (6 flats).

In Bar 1, the horn play Line 1 E [written B a perfect 5th interval above] half note tied to half notes next two bars and tied to (Bar 4) E quarter note and 8th note decrescendo hairpin (followed by an 8th rest).

The bass clarinet plays small octave B [written middle C#] 8th note (followed by an 8th rest) up to E [written F#] (followed by an 8th rest) down to (Bar 2) A [written B] 8th note (followed by an 8th rest) up to E 8th note (followed by an 8th rest) down to (Bar 3) G# 8th note (followed by an 8th rest) up to Line 1 E 8th note (followed by an 8th rest) to (Bar 4) A 8th note (followed by an 8th rest) to E 8th (followed by an 8th rest). The VC play the same as the bass clarinet but an octave lower register and also as pizzicato notes.

After an 8th rest in Bar 1, the violas play Line 1 D staccato 8th note (followed by an 8th rest) to I believe B 8th to (Bar 2), after an 8th rest, middle C staccato 8ths in that pattern to (Bar 3) B to D 8ths in that pattern to (Bar 4) C 8ths. After an 8th rest in Bar 1, violins II play Line 1 E/G# staccato 8ths (followed by an 8th rest) to same E/G# 8ths (repeated next two bars) to (Bar 4) E/A 8ths to (unclear). After an 8th rest, clarinet I plays *mp* Line 1 E 8th (followed by an 8th rest) up to G# 8th to (Bar 2) B-B 8ths in that pattern to (Bar 3) G#-G# 8ths to (Bar 4) B-B 8ths. Clarinet I play D-E 8ths in that

pattern to (Bar 2) C#-C# in that pattern to (Bar 3) B-D 8ths to (Bar 4) A-E 8ths.

In Bar 5, we now have the key signature of six flats. The oboe and violins I play *mf* Line 1 (Line 2 for the flute) Db up to F staccato 8th notes up to Ab up to Cb 8th notes up to (Bar 6) Eb rinforzando 8th legato to Db 8th note (followed by an 8th rest) down to Bb 8th note up to (Bar 7) Db rinforzando 8th legato to Cb 8th (followed by an 8th rest) down to Ab 8th up to (Bar 8) Cb rinforzando 8th to Bb 8th (followed by an 8th rest) down to Eb 8th note.

Bassoon II (bass clarinet is now silent while on a fast smoke break) play (plucked pizzicato for the celli) Great octave Ab 8th note (followed by an 8th rest) up to small octave Db 8th note (followed by an 8th rest) down to (Bar 6) Gb 8th note (followed by an 8th rest) up to Db 8th note (followed by an 8th rest). Repeat these two bars in Bars 7-8. Viola (after an 8th rest) play middle Cb 8th note (followed by an 8th rest) to another Cb 8th to (Bar 6) Bb-Bb 8ths in that pattern. Repeat these bars in the next two bars. Violins II play Line 1 Db 8th note to (divisi) Db/F staccato 8th note (followed by an 8th rest) to Db/F staccato 8ths to (Bar 6), after an 8th rest, Db/Gb staccato 8ths (followed by an 8th rest) to Db/Gb 8ths to (Bar 7), after an 8th rest, Db/F 8ths in that pattern to (Bar 8) Db/Gb staccato 8ths in that pattern.

The horn plays *mp* Line 1 Db [written Ab] half note tied to half notes next two bars and tied to (Bar 8) Db quarter note and 8th note decrescendo (followed by an 8th rest). Fag I plays (after an 8th rest) middle Cb 8th note (followed by an 8th rest) to Cb 8th note to (Bar 6), after an 8th rest, Bb-Bb 8ths in that pattern. Repeat these bars in Bars 7-8. In that same pattern, clarinet II plays Line 1 Db 8th notes thru all four bars. After an 8th rest, clarinet I plays F 8th (followed by an 8th rest) to F 8th to (Bar 6) G-Gb 8ths in that pattern. Repeat these bars in the next two bars.

Etc.

“You Did it-Part II” *Quasi Recitativo* in 12/8 time, 29 pages, Bar 144 thru Bar 292. Cue # 40827. Orchestrated (Arr.) by R. Franklyn. Dvd location: Chapter 35 starting at 2:50.

In the grace bar, Higgins “sings” his lines about the Count starting with “That” notated as middle C# 8th note to (Bar 144) “black-guard, who uses the science of speech more to “ notated as C#-C#0C# 8th notes (crossbeam connected) played twice to D-E-D 8ths to C#-B-C# 8ths to (Bar 145) “black-mail and swin-dle than teach. He” notated as D-E-D 8ths to C#-B-D 8ths to C# dotted quarter note (“teach”) tied to 8th note (followed by an 8th rest) to E 8th. In Bar 146, he continues on “made it the de-vi-lish bus’-ness of his” notated as E-E-E 8ths to E-D-E 8ths to F-Gb-F 8ths to stand alone E 8th (followed by “ pause marks and two 8th rests. In Bar 147 (*spoken*) he states “to find out who this Miss Doolittle is!” This bar shows a whole rest held fermata. The same applies to all the instruments.

Back in Bar 1 for this cue (or rather, written Bar 144), two violins I are bowed trem *p* on middle C# dotted half note to D dotted quarter note to C# dotted quarter note to (Bar 145) D dotted half note (followed by a quarter rest) to *ff* C#-C# rinforzando-marked 8th notes (not cross-beamed, and not bowed trem), and followed by two 8th rests. In Bar 146, they then are again bowed trem *p* on E dotted half note to F dotted quarter note to E non-trem 8th note (followed by pause marks and two 8th rests). Eight violins II play small octave G# dotted half note to two G# dotted quarter notes to (Bar 145) B dotted half note (followed by a quarter rest) to G#-G# rinforzando 8th notes played fortissimo (followed by two 8th rests) to (Bar 146) *p* level again and back to the bowed trem device on B dotted half note to B dotted quarter note bowed trem to non-trem B 8th note (followed by two 8th rests). Violas play *p* small octave E# dotted half note to F#-E# dotted quarter notes to (Bar 145) F# dotted half note (followed by a quarter rest) to fortissimo (*ff*) E#-E# rinforzando 8th notes (followed by two 8th rests) to (Bar 146) G# dotted half note trem played *p* to A dotted quarter note trem to G# non-trem 8th (followed by two 8th rests). Six VC are bowed trem on Great octave G# dotted half note to B to C# dotted quarter notes to (Bar 145) G# dotted half note (followed by a quarter rest) to double-stopped Great octave C#/G# rinforzando 8ths played twice and played *ff* (followed by two 8th rests) to (Bar 146) B dotted half note bowed trem and *p* up to small octave D dotted quarter note bowed trem down to B 8th (followed by two 8th rests). CB play small octave C# dotted half note bowed trem to Great octave B back up to C# dotted quarter notes down to (Bar 145) G# dotted half note (followed by a quarter rest) to C#-C# rinforzando 8th notes (followed by two 8th rests) up to (Bar 146) E dotted half note trem to D dotted quarter note bowed trem to E 8th note (followed by two 8th rests). Of course Bar 147 is a General Pause.

After a dotted half note rest in Bar 145 and a quarter rest, the piano plays *ff* Great octave C#/G#/small octave C#/E#/G#/middle C# (C# maj tonality) *rinforzando* 8th notes played twice (followed by two 8th rests). In Bar 144, the harp plays *p* Great octave C#/G#/small octave E#/G#/middle C# dotted half notes to Contra-octave and Great octave B#/small octave F#/G#/Line 1 D dotted quarter note to Great octave C#/small octave C#/E#/G#/middle C# dotted half notes to (Bar 145) Contra-octave G#/Great octave G#/small octave F#/B/Line 1 D dotted half notes (followed by a dotted half rest). In Bar 146, the harp plays Great octave E/B and (top staff) G#/B/Line 1 E dotted half notes to Great octave D/small octave D/G#/B/Line 1 F dotted quarter notes to E/B/G/B/E 8ths (followed by two 8th rests).

After a dotted half rest and quarter rest in Bar 145 (essentially Bar 2 in this cue), the timp sounds *forte* small octave C#-C# *rinforzando* 8th notes (followed by two 8th rests). After a dotted half and quarter rest in Bar 145, the tuba sounds *ff* on Great octave C#-C# *rinforzando* 8th notes (followed by two 8th rests). In like pattern, trombones play Great octave G#/small octave C#/E# *rinforzando* 8th notes played twice, trumpet III on small octave G#-G#, and trumpets I-II on Line 1 G#/B [written A#/C#], and horns on small octave E#/G#/middle C# 8ths.

Fag II plays *p* small octave C# tenuto dotted half note legato to B to C# tenuto dotted quarter notes to (Bar 145) Great octave G# tenuto dotted half note (followed by a quarter rest) down to C#-C# *rinforzando* 8th notes sounded *ff* (followed by two 8th rests). In Bar 146, it plays *p* Great octave B tenuto dotted half note legato up to small octave D tenuto dotted quarter note down to B 8th note (followed by pause marks and two 8th rests). Fag I plays small octave G# dotted half note tenuto to G#-G# tenuto dotted quarter notes to (Bar 145) F# tenuto dotted half note (followed by a quarter rest) to E#-E# *rinforzando* 8th notes fortissimo (not crossbeam connected) followed by two 8th rests to (Bar 146) E tenuto dotted half note played *p* legato to F tenuto dotted quarter note to E 8th (followed by two 8th rests). After a dotted half rest and quarter rest in Bar 145, the bass clarinet plays *ff* small octave G#-G# [written A#-A#] *rinforzando*-marked 8th notes (followed by two 8th rests) to (Bar 146) small octave E [written F#] tenuto dotted half note to C tenuto dotted quarter note to E 8th (followed by two 8th rests). Clarinets play small octave F/middle C# tenuto dotted half notes to Gb/D to F/C# dotted quarter notes to (Bar 145) middle Cb/D tenuto dotted half notes (followed by a quarter rest) to fortissimo Line 1 F/G# *rinforzando* 8th notes played twice

(followed by two 8th rests) to (Bar 146) small octave G#/B dotted half notes legato to A/B tenuto dotted quarter notes to G#/B 8th notes (followed by two 8th rests).

In Bar 148 (3:01), the orchestra responds emphatically to what Higgins just said in a *Vivace* statement of sforzando and *sffz* 8th notes. Flutes I-II play Line 3 E-F-F# grace notes to A sforzando staccato 8th note (followed by an 8th and quarter rest) while flute III plays Line 3 C#-D-D# grace notes to E sforzando 8th, and the oboe plays Line 2 A-Bb-C grace notes to C# 8th note, and clarinet plays the flute III line, and clarinet II plays the oboe line.

The bass clarinet plays *sffz* small octave A 8th note (followed by an 8th and quarter rest) while the Fags play E/middle C# 8th notes, and horns play middle C#/E/A 8ths, trumpets on Line 2 C#/E/A 8ths, trombones on Great octave A/small octave E/A 8ths, and tuba on Contra-octave A 8th. The timp sounds Great octave A rinforzando 8th note, and the bass drum and cymbal sound a rinforzando 8th note. The xylophone sounds Lines 1 & 2 A rinforzando 8th notes. The piano plays *sffz* Contra-octave A/Great octave E/A and (top staff) Line 1 A/Line 2 C#/E/A rinforzando 8th notes (followed by rests).

Violins I play legato slur (side curve line) on Line 1 E/Line 2 C#/A rinforzando 8th notes, while violins II play E/A/Line 2 E 8ths, viole on middle C#/E/A 8ths, and VC on Great octave A/small octave E/middle C# 8ths. CB pluck pizzicato on Great octave A rinforzando 8th note. Of course the tonality is the A major (A/C#/E). Double bar lines traverse the staff lines and spaces at the end of this bar, and the key signature changes from standard C maj/A min (no sharps, no flats) to F maj/D min (one flat).

So, starting in Bar 149 (3:03), the violins play a rather Hungarian (Transylvanian!) gypsy-type four-note rapid figures. All violins play *p* Line 1 “3” triplet value 16th notes F-G-F legato slur down to D staccato 8th note to the next similar figure of E-F-E “3” triplet value 16ths legato to middle C# staccato 8th to (Bar 150) Eb-F-Eb 16ths to C staccato 8th figure to D-E-D 16ths down to B staccato 8th up to (Bar 151) F-G-G triplet 16ths to D staccato 8th to E-F-E triplet 16ths to C# staccato 8th note.

After an 8th rest in Bar 149, viole top staff play double-stopped Line 1 F/A staccato 8ths (followed by an 8th rest) to F/A staccato 8ths, while the

bottom staff plays small octave A-A 8ths in that fashion VC play Great octave A half note tied to next several bars. CB are pizzicato on small octave D 8th (followed by an 8th rest) down to Great octave A 8th note (followed by an 8th rest). Repeat in the next two bars at least.

The “Voice” (Higgins) sings “Ev-‘ry time we” notated as F down to D 8th notes (crossbeam connected) to F-D 8ths again to (Bar 150) “looked a-round,” notated as F-D 8ths to F quarter note to (Bar 151) “there he was, that” notated as F-D 8ths to F-D 8ths.

The harp bottom staff plays Great octave D/A 8th notes (followed by an 8th rest) to Contra-octave and Great octave A 8ths (followed by an 8th rest, while the top staff (after an 8th rest) plays Lines 1 & 2 A 8ths (followed by an 8th rest) to same A 8ths. Repeat next bars. The triangle sounds *p* an x-headed quarter note (placed on the 2nd line from the top of the staff). Repeat next bars. Flute II is the only flute playing so far. It sounds Line 2 A half note tied to half notes next few bars, while clarinets play small octave and Line 1 A tied (sustained) half notes, and the bass clarinet on small octave A half notes. After an 8th rest, Fag II plays small octave F staccato 8th (followed by an 8th rest) to another F 8th (repeat next bars). Fag I plays (after an 8th rest) Line 1 D staccato 8th (followed by an 8th rest) to middle C# staccato 8th to (Bar 150), after an 8th rest, C staccato 8th (followed by an 8th rest) to B staccato 8th to (Bar 151), after an 8th rest, Line 1 D 8th (followed by an 8th rest) to C# 8th.

Let’s skip to Bar 180 (Chapter 35 at 3:28) to the interesting *Misterioso-Rubato* section of the cue. Here we find a rather Herrmannesque pattern (the only one in the score that I could find) of bowed trem notes. Higgins sings “Oo-zing charm from ev’-ry pore, he” notated as D-D-Eb-Eb 8th notes to F#-F#-F-F 8th notes to (Bar 181) “oiled his way a-round the floor.” Notated as D-D-Eb-Eb 8ths to F#-F# 8ths to stand alone F 8th (followed by an 8th rest) to (Bar 182) “ev-ry trick that he could play, he” notated as E-E-F-F 8ths to F#-G#-G-G 8ths to (Bar 183) “used to strip her mask a-way, and” notated as E-E-F-F 8ths to G#-G#-G-G 8ths to (Bar 184, start of page 11) “when at last the dance was done, he” notated as F#-F#-G-G 8ths to A#-A#-A-A 8ths to (Bar 185) “glowed as if he knew he’d won!” notated as F#-F#-G-G 8ths to A#-A# 8ths to A 8th (followed by an 8th rest).

Back in Bar 180, violins I are bowed trem *p* < > legato on Line 1 quarter notes D to D# that then slides (portamento, most likely it sounds to

me, rather than the glissando slide) as a short diagonal line between the notes to-F#-F quarter notes (repeated next bar). In Bar 182, they play E-F-G#-G (with the slide always between the 2nd and third notes) bowed trem quarter notes (repeated next bar) to (Bar 184) F#-G-A#-A quarter notes (repeated next bar). Back in Bar 180, violins II play *p* < > small octave B half note trem to Line 1 D half note trem (repeated next bar) to (Bar 182) middle C up to E half note trem (repeated next bar) to (Bar 184) D up to F# half note trem (repeated next bar). Note that there is also a slide between those half notes, but positioned more towards the middle of the notes. If it were a gliss, the line would probably be connecting both notes far more fully (longer diagonal line). The portamento slide is more the effect of holding on to the first note and then releasing the slide, whereas the glissando is an immediate run of notes.

In Bar 180, violas play small octave G up to B half notes bowed trem (with the slide) and repeated next bar. In Bar 182, they play A to middle C bowed trem half notes (repeated next bar) to (Bar 184) B up to D half note trem (repeated next bar). VC follow the violins I line but played an octave lower register (small octave register). CB are bowed trem *p* < > on small octave G whole note (repeated next bar) to (Bar 182) A whole note (repeated next bar) to (Bar 184) B whole note (repeated next bar).

In Bar 180, flute I plays *p* < > Line 1 D to Eb quarter notes with the slide to F# quarter note to F quarter note (repeated next bar, and then silent until Bar 186). The oboe is the same but cued in for Bars 180-181. In Bar 183, they actually *play* E-F-G#-G quarter notes (repeated next bar). In bar 184 they are again *Cue* on F#-G-A#-G quarter notes (repeated next bar). Clarinet I plays small octave D-Eb-F#-F legato quarter notes (repeated next bar) to (Bar 182) middle C up to E half notes (repeated next bar) to (Bar 184) Line 1 F#-G-B-A quarter notes (repeated next bar). Silent in Bars 180-181, clarinet II in bar 182 plays small octave A up to middle C half notes (repeated next bar), and then silent again for two bars. The bass clarinet plays small octave G whole note (repeated next bar) to (Bar 182) A whole note (repeated next bar) to (Bar 184) B [written C#] whole note (repeated next bar). The Fags are cued in on small octave G/B half notes to B/D half notes (repeated next bar). In Bar 182, Fag I (Fag II holds the whole rest sign) actually plays small octave E-F-G#-A quarter notes (repeated next bar) to

(Bar 184) Line 1 D up to F# half notes (repeated next bar) In Bar 184, Fag II plays B up to Line 1 D half notes (repeated next bar).

Horns I-II play *p* < > small octave G/B [written Line 1 D/F#] half notes legato (and slide) to B/D [written F#/A] half notes (repeated next bar), and then silent for two bars. In Bar 184, the nice variation or interplay of patterns shows up again with the horns now playing small octave F#-G-Bb-A [written Line 1 C#-D-F-E] legato quarter notes (repeated next bar).

[end session 10:32 pm]...[resume session Sunday, August 1 at 8:06 am]

In Bar 186 (3:42), the orchestra again plays *sforzando* and *rinforzando* 8th notes. Flute I plays Line 2 F-Gb-Ab grace notes (written as 32nd notes with three crossbeams connecting the notes) to Bb staccato and *sforzando* 8th note followed by an 8th note and then a quarter note held fermata. Then it plays *p Colla Voce* Line 1 Bb half note to (Bar 187, *Accel.*) B whole note. Flute II-III-oboe also play as flute I. Clarinet I plays Line 2 D-Eb-F grace notes to Gb *sforzando* 8th note, while clarinet II plays Bb-Line 2 C-D grace notes to Eb 8th note. After the fermata-held quarter rest, clarinet I plays Line 1 Eb half note to (Bar 187) F whole note. The bass clarinet plays small octave Bb [written middle C] *sforzando* and staccato 8th note (followed by an 8th rest and then a fermata-held quarter rest) to small octave Gb half note to (Bar 187) Gb whole note. Trumpets play Bb/Line 2 Eb/Gb *sforzando* 8th notes, and the Pos play Great octave Bb/small octave Gb/Line 1 Eb 8th notes. The tuba sounds *sffz* Contra-octave Bb 8th note, and the timp beats *sfz* the Great octave Bb 8th note. The bass drum and cymbal sound an 8th note, as well as the tambourine. The harp is silent here.

Violins I are double-stopped on Lines 1 & 2 Bb *rinforzando*-marked 8th notes (followed by an 8th rest and then a quarter rest held fermata) to Line 1 Bb bowed trem half note played *p* to (Bar 187) B whole note trem. Violins II play double-stopped small octave Bb/Line 1 Gb *rinforzando* 8th notes (followed by aforementioned rests) to Line 1 Eb half note bowed trem to (Bar 187) F whole note trem. Violas are double-stopped on small octave Gb/Line 1 Eb 8th notes (followed by rests) to small octave Bb half note trem

to (Bar 187) B whole note trem. VC play *sfz* small octave Bb rinforzando 8th note (followed by rests) down to Db half note trem sounded *p* to (Bar 187) D whole note trem. CB play small octave Bb 8th (followed by rests) to Gb half note trem to (Bar 187) Gb whole note trem.

After a quarter rest held fermata, and then an 8th rest (not fermata-held), Higgins recites “And with a voice too ea-ger and a” notated as Line 1 BB-Gb-Ab 16th notes to Bb 8th (followed by a 16th rest) to Bb 16th to next figure of Bb-Bb-Gb-Ab 16ths to (Bar 187) “smile too broad, he an-“ notated as B quarter note to B 8th to B 9th tied to 8th (followed by an 8th rest) down to Gb-Ab 8th notes. ETC. [8:26 am]

Let’s now skip to the Part 3 section of this collective cue(s).

“You Did It-Part 3” *Maestoso* in 4/4 time, 9 pages, Bar 293 thru Bar 326. Key signature of Eb maj/C min (3 flats). Cue # 40828. Orchestrated (Arr.) by R. Franklyn. Dvd location: Chapter 35 starting at 5:03.

This is a highly rousing and triumphant-sounding cue as the chorus praises the successful efforts of Professor Higgins. The voices encompass two staves in this full score and are fully harmonized. We find them singing in the grace bar “Con-gra-tu” notated as small octave (bottom staff) and Line 1 (top staff) Bb-Bb-Bb 8th note. Double bar lines traverse the entire page at the end of this grace bar. In Bar 293 (in effect Bar 1 for this cue), they sing “lat-tions, Pro-fes-sor” notated (bottom staff) as small octave Eb/Bb dotted quarter notes to Eb/Bb 8th notes (followed by an 8th rest) to Bb 8th to Ab/Bb dotted 8ths to Ab/Bb 16th three-note figure (delayed triplet figure), while the top staff Voices play G/Bb/Line 1 Eb dotted quarter notes down to Eb/G/Bb (Eb maj) 8th notes (followed by an 8th rest) to Line 1 Bb 8th to F/Bb/Line 2 F dotted 8ths to F/Bb/D 16th delayed triplet figure. In Bar 294 (Bar 2) the Voices sing “Hig-gins! (8th and quarter rest marks following) For your” notated as (bottom staff) G/Bb quarter notes to Eb/Bb 8ths (followed by an 8th and quarter rest) to Bb dotted 8th to Bb 16th, while the top staff plays Eb/Bb/Line 2 Eb quarter notes to Eb/G/Bb 8ths (followed by rests) to Line 1 BB dotted 8th to Bb 16th. In Bar 295 (Bar 3), they sing “glor-ri-ous vic-to-“ notated bottom staff as C/G quarter notes to C/G dotted 8ths to 16th notes to D/middle C quarter notes to D/Line 1 D quarter notes, while the top staff

voices sing G/Bb/Line 2 Eb quarter notes to Eb/G/Bb dotted 8ths down to Bb/Line 1 Eb/G 16ths up to G/A/Line 2 D quarter notes down to middle C/F#/A quarter notes. In Bar 296, they sing “ry!” notated as G/Line 1 D half notes tied to 8th notes while the top staff voices sing small octave B (overlapping registers with the bottom staff) and Line 1 G/Line 2 D half notes tied to 8th notes. Then they sing “Con-gra-tu” as they did in the grace bar.

Besides the Voices, the only other instrumental “voice” sounding in the grace bar is trumpet I (and horns I-II that I’ll discuss later) playing *mf* < Line 1 Bb-Bb-Bb [written Line 2 C-C-C] 8th notes (crossbeam connected). Then three trumpets play forte G/Bb/Eb (Eb maj 1st inversion) dotted quarter notes down to Eb/G/Bb 8ths (followed by an 8th rest) to Eb/G/Bb 8ths up to Ab/Bb/F dotted 8ths to Ab/Bb/D 16ths (delayed triplet figure that is crossbeam connected). In Bar 294, the trumpets play G/Bb/Eb quarter notes down to Eb/G/Bb 8ths (followed by an 8th and quarter rest) to Eb/G/Bb dotted 8ths to 16ths up to (Bar 295) G/Bb/Eb quarter notes down to Eb/G/Bb dotted 8ths to Eb/G 16ths to G/C/D quarter notes down to D/F#/A quarter notes. In Bar 296, they play D/G/Line 2 D 8th notes to G/B/D 16ths played twice to the next figure of G/B/D down to D/G/B down to small octave B/Line 1 D/G up too D/G/B 16th note triads (connected by two crossbeams) to G/B/D rinforzando 8ths played *sffz*, and then they play (as in the grace bar) Bb-Bb-BB 8th notes.

In the grace bar, horns I-II play *mf* < small octave Bb-Bb-Bb [written Line 1 F-F-F] 8th notes (crossbeam connected). In Bar 293 (in effect, Bar 1) all three horns now play forte unison Line 1 Eb [written Bb a perfect 5th interval above] dotted quarter note down to small octave Bb 8th note (followed by an 8th rest) to same Bb 8th up to F [written Line 2 C] down to D [written A] 16th note (delayed triplet figure) to (Bar 294) Eb quarter note down to Bb 8th (followed by an 8th rest) to middle C [written G] half note to Bb dotted 8th to Bb 16th notes up to (Bar 295) Eb quarter note down to Bb dotted 8th down to G 16th up to Line 1 D [written A] down to small octave A [written Line 1 E] quarter notes up. In Bar 296, horns I-II play D half note to *sffz*-sounded A 8th note down to small octave Bb-Bb-Bb 8th notes. In Bar 296, horn III plays small octave B [written Line 1 F#] half note down to G rinforzando 8th note played *sffz* up to Bb-Bb-Bb 8th notes.

In Bar 293 (Bar 1), the Pos play forte Great octave Bb/small octave G/Bb dotted half notes to Bb/Ab/Bb quarter notes to (Bar 294) Bb/G/Bb half

notes tied to 8th notes (followed by an 8th and quarter rest) to (Bar 295) small octave C/G/Bb half notes to D/G/A quarter notes to D/D#/middle C quarter notes. In Bar 296, Pos I & II play G/B half notes to D/B rinforzando 8th notes to unison Bb-Bb-Bb 8th notes. Pos III plays small octave D half note down to Great octave G 8th note (followed by an 8th and quarter rest).

In Bar 293, the tuba plays *f* on Great octave Eb dotted half note down to Contra-octave Bb quarter note up to (Bar 294) Eb half note tied to 8th note (followed by an 8th and quarter rest). In Bar 295, the tuba then plays Great octave C half note to D-D quarter notes up to (Bar 296) G half note down to Contra-octave G rinforzando 8th note (followed by an 8th and quarter rest). The timp follows the tuba line but an octave higher register in the first three bars. The half notes are trem rolled. In bar 295, we find small octave C half note roll to D non-trem quarter note to same D quarter note (but rolled) down to Great octave G 8th note (followed by a quarter rest) to G rinforzando 8th note (followed by an 8th and quarter rest). The cymbal sounds a diamond-headed dotted half note to x-headed quarter note to (Bar 294) diamond-headed half note (followed by a half rest) to (Bar 295) half note to two quarter notes to (Bar 296) half note (followed by a half rest). After an 8th rest in Bar 296, the drums play six 16ths to an 8th note played *sffz* (the bass drum also sounds an 8th note here located on the bottom space of the same staff). After a half rest in Bar 293 (Bar 1), the bells play forte on Lines 1 & 2 Bb half notes to (Bar 294) Line 1 A half note (followed by an 8th rest) to Bb-Bb 16ths to Lines 1 & 2 Bb half notes (silent next bar). In Bar 296, the orchestra bells then play (after an initial 8th rest) G-B-Line 2 D 8th notes to Lines 1 & 2 G rinforzando 8th notes (followed by an 8th and quarter rest). Perhaps I'll get to the harp and piano later.

The violins and viole are quite noticeable playing a rapid run of 16th note figures. Violins I play forte descending 16ths starting Line 3 (Line 2 for violins II and viole) Eb-D-C-Bb (connected by two crossbeams) down to Ab-G-F-Eb (connected by two crossbeams) back up to Eb-D-C-Bb 16ths to Ab-G-Ab-F 16ths to (Bar 294) Eb-D-C-Bb down to Ab-G-F-Eb down to ascending 16ths Bb-Eb-F-G to F-G-Ab-Bb to (Bar 295) Eb-D-C-Bb down to Ab-G-F-Eb back up to C-Bb-A-G down to F#-Eb-D-C. [On The Street Where You Live] [Note: This is a reprise of the song Freddy sung earlier, but I do not have notes on this cue. I imagine it was largely or completely lifted from cue #40812. Dvd location: start of Chapter 37.

“Freddy” Cue # 40833, C time, 5 pages, 18 bars. Orchestrated by Al Woodbury. Dvd location: Chapter 38 starting at :02. Scene: Freddy stops singing on the street when he sees Eliza stepping out of the professor’s flat, and runs over to greet her.

Flute II follows the clarinet II line thru Bar 84 (but an octave register higher), while flute I follows the clarinet I line (but also an octave register higher). After a quarter rest in Bar 85, flute I follows the violins I top line (but an octave higher register) except that the A# half note in the middle of Bar 87 (Line 2 for the flute but Line 1 A# for the violins) for the flute is tied to 8th note in Bar 88. [Note: From this point (after the above “Show Me!” cue, I pretty much ran out of time with my research on the score except for a brief focus on Higgins’ “I’ve Grown Accustomed” song. After the “Show Me!” song, there is a return to the “Wouldn’t It Be Lovely” song at the end of Reel 17

into Reel 18 lasting a total of 3:15 (initially vocal visual and then background music). Next we find in Reel 19 the famous “Get Me To The Church On Time” song that lasts six minutes but I never did have a chance to look at that cue. Next is Higgins’ song “A Hymn To Him” in Reel 20 that lasts about 3:25, but once again I did not have a chance to research it. Next is Eliza’s “Without You” song (that I did not have time to study) in Reel 21. In Reel 22, a background version of “A Hymn To Him” is played for twenty seconds. Then the “I’ve Grown Accustomed To Her Face” song is heard (Higgins’ last song). That lasts 5:25. After that is background music based on the “I Could’ve Danced All Night” music for 1:30 duration.]

“I’ve Grown Accustomed To Her Face” *Furioso* in 2/4 time, 46 pages, 188 bars. Cue # 40850. Orchestrated (*Arr.*) by A. Courage. Dvd location: Chapter 48 at :21. Scene: Higgins storms out of his Mother’s place, pacing furiously down the street, full of conflicting feelings about Eliza leaving.

[end session at 10:16 pm. Should be able to finish tomorrow after work by 7 pm when Susan arrives home from work. Then we’ll go out to eat dinner]
